Dear Business Operator:

Our organization, the Lake Wedowee Property Owners Association, is hosting our annual Kids Fishing Day event on Wednesday, May 17, 2023, at Rice Pavilion on Lake Wedowee. The date and time were selected to allow students to attend after school on the last school day before summer vacation.

We are asking for members of the business community to make donations to sponsor this community event. Your participation is greatly appreciated!

LWPOA is an organization of more than 450 member families and more than 1000 member individuals. More than 200 kids generally attend the event with their parents. All are potential customers for your product or service.

This event receives full coverage by the Media, including Radio and Newspaper. Your donation provides a great deal of effective advertising for your company.
