TOWN & COUNTRY

Town & Country is a selection of some of Hancock & Moore's most iconic styles that are available to qualified dealers in a selection of promoted leathers and fabrics.

VINTAGE BURNISHED

Our burnished leathers feature unique patinas, which fine leather goods develop over time with age and use. Our labor intensive burnishing technique is a long process that is done by hand by a highly-experienced, trained craftsman. We have selected our most popular burnished leathers and featured them on items in this section, however these leathers are available on any T&C item.

TEXTURES

Textures is a handle of textural body cloths that pair beautifully with our luxurious leathers.
