Write Start Newsletter 2020

Welcome to the month of May! This month the children will be learning and creating things about Cinco De Mayo, Things that grow, Farm, Transportation, Jungle/Zoo, and Mother's Day. The color of the month is blue! Be on the lookout for art work and paintings containing all shades of blue. The enhancement of the month is Manners. The children will be exploring the importance of good manners.

We want to Thank all of our wonderful families especially this past Month with all the changes and challenges we have all been facing during this pandemic. We know we could not do what we do if we didn't have supportive families like yours!! We will get thru this together!

Just a few friendly reminders: Please remember to sign your child in and out daily in the sign in/out book in your child's classroom, don't forget to check your child's file folder daily for artwork, or any reminder papers, also, please continue to let the office staff know when your child is going to be absent. You may do this on brightwheel, email, phone call, or letting a director know in person. If you need to add anyone to your child's pick up list this must be done in written form and include the person's first and last name, home address, and telephone number. Thank you for your continued support with these matters.

May 4th-May 8th is Teacher Appreciation Week! We want to Thank all of our wonderful teachers for their endless support and hard work!

Here's a fun snack that you and your child can create together! *Dirt Cups!* Start with chocolate pudding and crush up some chocolate sandwich cookies. Add some gummy worms to the "Dirt" and enjoy! 😊
