

Write Start Learning Center Newsletter 2020

Dear Parents,

Welcome to the Month of April. This Month the children will be learning all about Spring, Bugs and Insects, Nursery Rhymes/Fairy Tales, Earth Day and Recycling and Earth Day. The color of the Month is Purple and the Nursery Rhyme of the Month is "Little Bo-Peep". The children will be creating lots of art projects that reflect the spring season and learning new songs and finger plays.

The past couple of weeks have been scary and like no other we have ever had to deal with. We want to take a moment to thank ALL of our wonderful families through this difficult time dealing with Covid 19 all across America. We know that this has affected everyone and want you to know we stand together, united and will continue to help your child grow and learn in a happy, loving environment just as we always have! Obviously, there have been some changes and we are following the CDC guidelines in order to remain open. We have changed our hours for the time being from 7:00am-5:30pm Monday-Friday. We are cleaning and sanitizing and washing hands around the clock! Please continue to help us by having your child and yourself wash hands as you arrive and depart daily. Please remember to take your child's blanket and extra clothes home to wash at the end of the week and return Monday. Please make sure that your child arrives to school before 10:00am.

Thank you for trusting us with your children. We love you all!

Here's a fun activity to do with your child! "Chalk Art" Simply use masking tape, or painters tape outside on the side walk using shapes like squares and triangles. Once taped off use sidewalk chalk to color in the shapes. Remove the tape and you will have a beautiful masterpiece for all to see!

Check out the one Ms. Nycole and her boys did at home! 😊 Feel free to post your pictures on our Facebook page for us all to see! 😊

Thank you to all of our wonderful teachers! We are so proud of our team!

Please remember to check Brightwheel daily for any information!

Please stay safe and healthy!

Xoxo
