Lieutenant Governor's Cup

The RAWF introduced this Cup in 1953 with the approval of then Lieutenant Governor the Hon. Louis Orville Breithaupt. Originally, an in-hand class for 3-year-olds for "other than thoroughbreds", it changed to an under saddle class. Horses are judged 60% on movement and way of going and 40% conformation.

CANADIAN SPORT HORSE ASSOCIATION PRESENTS QUALIFIERS ROUND 1:

VOLUNTEER SHOUT OUT

As a non-profit association, the CSHA depends on the dedication and hard work of our volunteers. These volunteers not only sit on the board, but assist in securing sponsorships, act as ring stewards and judge's assistant at the Breeder's Championship and Cup Qualifiers, and photographers when needed.

Without the effort and commitment by our volunteers, the CSHA wouldn't be able to continue. *They're the driving force behind our association's success.* And we are truly grateful for their support. A special thanks to Joanna Fast & Ted Levison for their many years of support and volunteering.

THANK YOU

to our sponsors and exhibitors!
