

Club Yarnell presents

Holiday Craft Workshop!

Thursday, Dec. 13 3-5 pm

Join friends and neighbors for a session of holiday creativity and fun! We'll provide materials for four craft projects, and/or you can bring your own! And if you've been putting off writing and addressing your holiday cards, bring them along and do it with good company, snacks and music.

Gourd ornaments

Paint locally sourced gourds for unique, handmade ornaments – for your tree or as gifts!

Gift boxes

Make your own folded gift boxes using stunning calendar photos.

Gift tags

Create your own gift tags – bring materials you've been planning to “do something with someday” or color, cut, past, paint with materials we provide.

Forever Birthday Calendars

Make this for yourself for remembering birthdays and anniversaries – or make as a gift.

Suggested donation: \$4 to cover the cost of materials

Everyone is welcome! Club Yarnell events are held at the Yarnell Regional Community Center and are free, unless otherwise specified. Please contact Jerry Florman 602.399.1679 for more information or to suggest a workshop topic.
