

Club Yarnell presents

GRAND CANYON GEOLOGY

THUR. JANUARY 10 2 - 3:30 PM

Learn the geologic story of the Grand Canyon! Gaelyn Olmsted, a Glen Ilah resident, spent ten summer seasons as a Park Ranger on the North Rim Grand Canyon National Park learning, exploring, photographing, and sharing stories with visitors. She will inform, entertain and enrich us with her experience. Images will be shown on the dining room TV, so bring your glasses!
