

Club Yarnell presents

Let's Get Organized!

Tues. January 29 4:30 – 6 pm

Closets overflowing? Too many things to do? Sorting the belongings of a loved one after they've passed? Missing deadlines? Double-booking meetings? **Help is on the way!** Get a **fresh start** in the new year with help from two local experts in the art of getting - and staying - organized.

Rosalie Lechner has been helping business owners, elderly residents, friends and family get their lives, papers & stuff in order. Whether it was organizing Yarnell Daze, a construction project, or a relocation, Rosalie walks the talk of being - and staying - organized. Find out how she does it - and how you can, too!

Denise Roggio's range of organizational roles could be daunting: Personnel and Grant Specialist for the Yarnell Fire District; grant writer for Model Creek School and Weaver Mountains Chamber of Commerce; Music Director for the Yarnell Community Presbyterian Church and free-lancing as a grant writer and a musician. Denise juggles them all, and maintains a sense of balance and humor to boot! Find out how she does it - and how you can, too!

The session will include tips for people who use computers and smart phones – and for people who don't.

Club Yarnell is open to everyone! Unless specified, programs are free and held at the Yarnell Regional Community Center. Call Jerry Florman for ideas, details and to offer a program. 602.399.1679
