9 AM	Registration Vendors and Merch Open
10 - 10:30 AM	<div> <div> <p>FREE Dance Dc's</p> <p>What are Dance Dc's? First, They Are Free! Each instructor has a sign-up sheet where you can add your name to dance with them from 10-10:30am. Once signed up, the instructor will find you for a dance and have a quick chat with you during a break between songs. You're welcome to record, chat, and catch up, but please remember that this is not a lesson or a tune-up session, so no asking feedback or corrections. If you're looking for feedback, this is a great chance to connect with an instructor and see if they have private lessons available (you can also prebook private lessons before the event with staff by reaching out to them!)</p> </div> <div> <p>OPEN TO EVERYONE</p> <p>Competition Questions and Answers</p> <p>-not a class- Someone from the competition team or an event director will be there to answer questions and go over any things you want before the event starts. There are 2 of these to choose from on Friday.</p> </div> </div>

10:30 AM	<p>All Level Country Swing Gabriel Dubois and Kristie Zamora Sunday Splits... I Mean Friday Lunge!</p> <p>We will kick off class with some stretching and then learn how to do some stylish country swing moves with splits or with variations of splits that still wow the crowd.</p> <p>DISCLAIMER If you cannot do splits neither can Gabe, and that's okay!</p>	<p>Beginner - Country Swing Kat Nichols and Jamie Lee Intro to Country Swing Rides</p> <p>Join us as we explore the fundamentals of entering a beginner-level closed position ride. In this class, you'll learn how to create a shared center, refine your footwork around that center, and manipulate your frame to generate centrifugal force. If time allows, we'll also dive into maintaining connection with one hand. Perfect for dancers looking to build a strong foundation in controlled, dynamic movement!</p>	<p>Novice Line Dance Matt Cassilas Add a Little Flavor</p> <p>32 counts - 2 walls - Novice Song: Flavor - Jimmie Allen, PnB, Vikna Choreographer: Mike Kruger Splitsheet</p> <p>Super fun line dance with a Latin flair!</p>	<p>Staff and Pro Pass Private Lesson Room</p> <p>The Private Lesson Room reserved for event staff to teach, along with up to five (5) additional paid guests per day</p> <p>We do this to make sure our staff has the space they need while also creating the best learning experience for students. If you're interested in reserving a spot for an event, send us a message on social media to get the private link to purchase your pass, during the event we register!</p>
11:30 AM	<p>Upper Level Country Swing David Saylor and Anna Rogers Ride Or Die</p> <p>You may think you know ride technique... but do you really? Take a deep dive into the proper connection and body positioning necessary for flawless rides, going beyond the basics to find a better understanding of counter balancing.</p> <p>Stick around till the end and learn some new ride intros and variations!</p>	<p>Beginner - Intermediate West Coast Swing Hugo and Stacy Style Fusion: Adding Personal Flair to Novice WCS Without Losing Technique</p> <p>Safely layering on stylized arm, hip, and footwork variations Learning when to blend your creativity into your partner's movement Balancing performance quality with solid foundational dance skills Why it's needed: Being unique and memorable on the floor boosts confidence, but it's crucial to keep that partner-centric connection.</p>	<p>Upper Level/ Center Stage Competition Dance Kat Nichols Poppin' Pearl Snap</p> <p>32 Counts - 4 Walls - Intermediate Song: Drive By by Willie Jones & Ben Burgess Choreographer: Kat Nichols Splitsheet</p> <p>A fun and groovy line dance that offers good moments to style and create!</p>	<p>Staff and Pro Pass Private Lesson Room</p> <p>The Private Lesson Room reserved for event staff to teach, along with up to five (5) additional paid guests per day</p> <p>We do this to make sure our staff has the space they need while also creating the best learning experience for students. If you're interested in reserving a spot for an event, send us a message on social media to get the private link to purchase your pass, during the event we register!</p>
12:30 PM	<p>Upper Level Country Swing Gabriel Dubois and Lynn Teter Pendulum's Around</p> <p>Learn about the flow and release of gravity, following through with an actual arc, and then suspending. We will review some cool moves and the partnership, footwork and timing that make them work together for a fun move!</p>	<p>Intermediate West Coast Swing Krista Young Building On Basics in WCS</p> <p>Build on your basics by learning how to use your lower body to influence connection using popular WCS moves like the blind whip. Discover and practice ways to make these basic moves your own with styling and variations.</p>	<p>Advanced Line Dance Matt Cassilas Party in the Hills</p> <p>32 Counts - 2 Walls - Advanced Song: Come to Brazil - Why Don't We Choreographer: Fred Whitehouse, Shane McKenney & Joey Warren Splitsheet</p> <p>One of my favorite line dances to learn syncoated rhythms! Super fun "hip hop" styled dance.</p>	<p>Staff and Pro Pass Private Lesson Room</p> <p>The Private Lesson Room reserved for event staff to teach, along with up to five (5) additional paid guests per day</p> <p>We do this to make sure our staff has the space they need while also creating the best learning experience for students. If you're interested in reserving a spot for an event, send us a message on social media to get the private link to purchase your pass, during the event we register!</p>
1:30 PM	<p>All Level Partner Dancing JP Vaughan & Mae Rowlett Stars of Swing Hits No Dips</p> <p>It's 2025 and we're still dipping on the 1st! Come join us to learn cool ways to accentuate the "beat drop"! In this class, we will get comfortable getting groovy, hitting those musical breaks so we never feel stuck in the endless cycle of dips again!</p>	<p>Advanced Country Swing Gabriel Dubois and Audrey Coussens An Actual Magic Trick for your Connection</p> <p>We will be learning how to incorporate solo body movement into your dance by isolating your thorax to create rotational momentum. This neat level 2-ridge connection trick will help you influence a ride out of a sling shot, and it can be initiated by both the lead or by the follow!</p>	<p>Beginner Two Step Haley Sredavich My Heart Beats Quick Quick Slow Slow</p> <p>If you've got the QQSS rhythm under your belt buckle, this is the perfect class for you to learn or improve your beginner basics, technique, and connection. We'll dance a fun and easy pattern you can take to the social floor!</p>	<p>Staff and Pro Pass Private Lesson Room</p> <p>The Private Lesson Room reserved for event staff to teach, along with up to five (5) additional paid guests per day</p> <p>We do this to make sure our staff has the space they need while also creating the best learning experience for students. If you're interested in reserving a spot for an event, send us a message on social media to get the private link to purchase your pass, during the event we register!</p>
2:30 PM	<p>All Level Country Swing Gabe Sebastian and Cami Johnstonbaugh Art In The Mess</p> <p>Lead and Follow Improv Using contact improv to set up creative moments with your partner. Learn concepts and ideas to improve your ability to create on the spot.</p>	<p>Beginner Country Swing Ashlee Karras Shakin Her Ash Footwork & Timing</p> <p>Join me for a fun and engaging beginner - Friendly Country Swing class, perfect for all levels! Whether you're brand new to dancing or looking to refine your basics, this class will cover the fundamentals of Country Swing, including what makes it unique, basic, footwork, and proper timing! No partner required!</p>	<p>Advanced Line Dance Competition for YESSS! Anna Rogers GOD GAVE ME A GIRL</p> <p>32 Counts - 2 Walls - Intermediate Song: God Gave Me a Girl (Acoustic) Russell Dickerson Choreographer: Darren Bailey Splitsheet</p> <p>This is an intermediate line dance, but it is sure to challenge advanced line dancers in fluidity and technique!</p>	<p>Staff and Pro Pass Private Lesson Room</p> <p>The Private Lesson Room reserved for event staff to teach, along with up to five (5) additional paid guests per day</p> <p>We do this to make sure our staff has the space they need while also creating the best learning experience for students. 4:30 PM - 5:45 PM	All Level Country Swing Krista Young Country-ly Your WCS Learn how to take WCS moves and make them perfect and true to Country Swing (including the moves I taught in my WCS class on Friday). Discover and practice the timing, footwork, styling, and variations of WCS moves you know within your Country Swing so you can keep all your tools, and learn to apply them differently!	Intermediate Country Swing Kyle Donovan and Audrey Costumes Reverse Rides We Ride At Dusk! In this class you will learn 2 cool entrances to 2 reverse ride! Learning how to utilize your knowledge of rides and flipping it on its head going in reverse. Unlock the skills you need to do rides differently from everyone else!	Intermediate West Coast Swing Gabe Sebastian and Cami Johnstonbaugh Closed Postion Intermediate Adding closed position to your westcoast swing tool box. Learn basic closed position passes and use it to build up your dance. Please come to this class with a good understanding of your west coast swing basic patterns, timing, and footwork.	
5:45 PM - 7 PM	Leader Styling David Saylor and Gabriel Dubois Follower Styling Anna Rogers and Krista Young Become a well-rounded dancer by changing up your style to match the vibe of the music. You will learn how to spice up your basics and options for presentation moments through a basic country swing combination. David & Gabe will be focusing on leader styling by adding elevation and tempo changes to the dance and matching movement with the followed while giving them space to play. Anna will emphasize upper body and long, pretty lines; while Krista will emphasize lower body, footwork, and groove.	Intermediate Country Swing Mich Williams and Jessica Silver Transitions are Key! Come learn a fun intermediate pattern that will translate into new transitions and help explore new moves!	Improver Line Dance Robyn Malle Heel Toe Rodeo 32 Counts - 4 Walls - Improver Song: Cowboy Up - Kaylee Bell Choreographer: Gary Chirby StopSheet An energetic line dance that'll have you rearing for your cowboy boots and stepping right into the fun.
