MARGARET AND RODNEY HOWELL

# welcome to the sale

Fellow Cattlemen,

Margaret and I would like to cordially invite you to our Fourth Annual Female Sale. We have kept most of our females for several years and three years ago we entered a new era at Lone Star Angus with an annual female sale. We are offering, fall pairs, spring pairs, heifers bred to calve in the fall, proven donors, fall 25 ET donors prospects and short bred heifers that will start calving next January. We have used Nobility and Wizard heavily in our ET program and their daughters and granddaughters are some of the real standouts in the sale offering.

We are blessed to have bull and female customers that have used, with great success, our genetics for decades. Our focus has always been on maternal quality, exceptional growth and carcass merit. Poss Winchester, True Balance, Jameson and Wizard were used heavily last year. The short bred heifers are bred to Hennessey, Poss Long Bow, Grand Slam and True Balance.

In order to display our females properly, we are having our female sale at Brooks Cattle Company in Marietta, Oklahoma. From our upstairs deck, I can see Marietta across the river about 4 miles away. Nice accommodations are available in both Gainesville and Ardmore which are both about 15 miles from Marietta,

Joe Bob Roberts, our ranch manager, has the cattle in excellent shape. We are very proud of the genetic improvements we have made.

Margaret and I would be honored if you would join us in Marietta, at the sale facility, on Friday evening, May 15th, for our fourth annual crayfish, shrimp and sausage boil. The cattle are on display and it has been a lot of fun.

In conclusion, we are indeed blessed to live in a part of the country where God, Family and our Country are still priorities. The rainfall this spring has been timely and wonderful. It is also a delight to live in a beautiful location that was where my great, great grandfather, Robert Dillard, built a log house in 1861. We have been in the cattle business since 1976, but the decision to start a registered herd in 1986 was a defining moment. It has led to so many great friendships and wonderful experiences.

Again, Margaret and I invite you to join us on May 15th and 16th, in Marietta for great cattle, food and fellowship.

*Margaret Howell & Rodney H Howell*

Dear Friends and Fellow Cattlemen,

Welcome to the Fourth Annual Lone Star Angus Female Sale. Recent rain has got the grass booming while cattle prices are at an unprecedented level and look to stay that way for the foreseeable future, so this sale presents a great opportunity for you to add young females with fresh genetics to your herd.

Rodney and Margaret have continued to use the top AI sires in the industry to improve the genetic base of their herd and you will see the results of their effort in this offering that features choice in maternal sister to Lone Star Woodrow H430, the \$50,000 record-selling bull selected by CLC South Ranch from the 2026 Spring Lone Star Bull Sale, as well as an excellent set of fall and spring calving heifers, a proven donor, and a productive set of spring and fall pairs. Maternal strength, exceptional growth, and carcass merit, have always been the focus of the Lone Star program and this offering reflects that.

For each transaction that is made, Rodney and his family want the customer to be satisfied, and they strive to build lasting relationships.

I want to thank Rodney, Margaret, Joe Bob, Becca, and the crew at Lone Star for allowing me to be a part of their program, and I encourage you to evaluate the needs of your operation, and join us Friday evening for the shrimp and crawfish boil and on Saturday, May 16, for this great event. Please do not hesitate to call me with any questions or if I can help you in any way.

Sincerely,

Matt C. Sims

Sale videos are available at [www.mcsauction.com](http://www.mcsauction.com)

## HOW TO PARTICIPATE ON

# LiveAuctions.TV

### 1 CREATE AN ACCOUNT

Click "Register to Bid" on the top right corner of LiveAuctions.tv. Fill out the required information to bid online. Agree to the terms of service and finish with the "register" button.

### 2 REGISTER FOR A BUYER NUMBER

From the home page or the "all auctions" page, choose the sale you're interested in. Once selected, click the "request a buyer number" button. Verify your email address with the email verification link. To verify your mobile number, click "send token". Follow the steps to authorize your mobile device and click "submit".

### 3 BID SUCCESSFULLY

You will only have to complete the two-step verification process one time. After that, you will be able to immediately request a buyer number on any auction without verification. If you're a winning bidder, your lots will appear in your cart on the bottom of your screen. You will be contacted by the ranch or sale manager for your payment and shipping plans.

**IF YOU NEED HELP REGISTERING TO BID OR TO VIEW THE AUCTION PLEASE CONTACT TECHNICAL SUPPORT CALL JAKE SIMS (405) 938-7095**

# LONE STAR

## *Historic Howell Ranch*

My great, great grandfather, Robert Dillard, moved to Cooke County in 1859. He purchased the land surrounding our ranch headquarters in 1861. His log-cabin house sat where my home sits today which was constructed in 1919 by my grandfather, Boss Houston Howell. In 2011, our family was honored by the Texas Family Land Heritage program for 150 years of continuous agricultural production.

As with every ranching family, there are many stories I could tell but I will share one. My grandfather, Boss Houston Howell, saw a business opportunity during World War I. They were trying to farm in the Texas heat with horses. He went to Mexico and bought the biggest jack he could find and began raising mules. After the war, a good set of broke to plow

mules would bring \$200 dollars. Land was about \$15 per acre. I doubt that breaking young mules to plow was fun work, but it allowed him to buy out the other family members and double the acreage.

I returned to the family ranch in 1976 after receiving an undergraduate degree in Mechanical Engineering from Southern Methodist University and an MBA from North Texas University. At that time, we ran commercial cows and grew wheat, oats, soybeans, and hay crops. I was extremely blessed to spend most of the next two decades working with my father, Houston Howell, first as his helper, then as a business partner and later acquiring the business. The memories I have and the knowledge he imparted are priceless.

I married Margaret Davidson in 1981. We are blessed with two fine sons, Brett and Brady Howell. We started Lone Star Angus in 1986 with the purchase of three cows. Our business expanded into yearlings and for two decades we maintained ownership of some of these cattle through the feedlot.

As the Angus herd grew, our other enterprises fell by the wayside. Lone Star currently has 450 grown registered Black Angus cows and 5 Registered Polled Hereford donor cows. All our forage is marketed through our cattle. Lone Star Angus's seventh Fall Bull Sale will be held on October 22, 2026. Lone Star Angus's thirteenth Spring Bull Sale will be in Gainesville, Texas on March 11, 2027! We will be selling both registered Angus bulls and commercial females in the fall and spring sales.

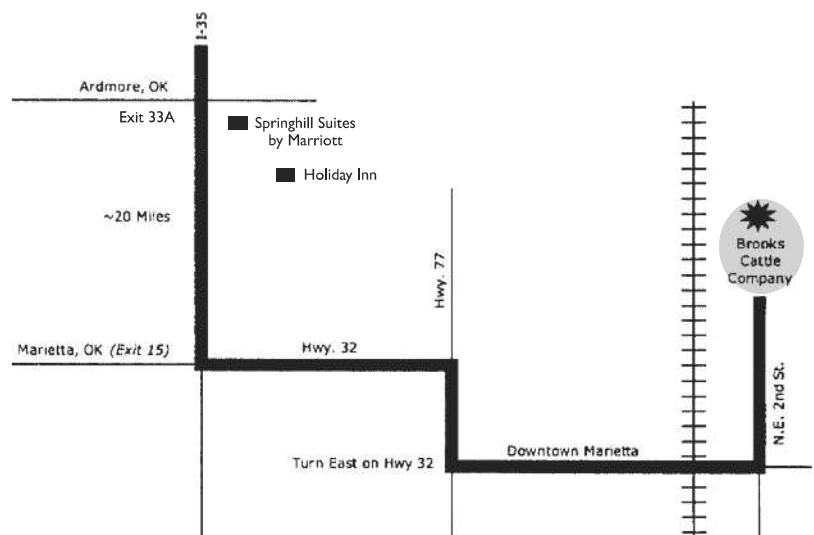

In the pursuit of genetic excellence during each breeding season, we implant about 250 embryos, artificially inseminate heavily, and use natural service for a short period at the end of the breeding seasons. We use proven bulls on the majority of our pairings and require calving ease, explosive growth, high marbling, docility, good udders and structural correctness. We are blessed with a wonderful group of repeat customers and look forward to serving all of our bull and female customers in the future.

## *Our Historic Foundation.*

### SALE LOCATION

Brooks Cattle Company Sale Facility  
GPS Address: 801 North Brentwood  
Marietta, OK 73448

From I-35, take Exit 15 at Marietta, Oklahoma. Go east on Highway 32 through downtown Marietta. Cross over the railroad tracks, then turn north on Brentwood Street until it dead ends at Brooks Cattle Company. It is approximately a 2-hour drive from Oklahoma City and 1.5 hours from DFW.

# MAKE YOUR CATTLE STAND OUT

You've made a significant investment in your genetics, but does the market recognize that? Stand out by differentiating our cattle with AngusLink<sup>SM</sup> programs: the Genetic Merit Scorecard<sup>SM</sup> and AngusVerified<sup>SM</sup>.

ANGUSLINK<sup>SM</sup>  
**GENETIC  
MERIT**  
SCORECARD<sup>SM</sup>

The Genetic Merit Scorecard gives buyers the confidence they need to pay more for your quality calves.

**ANGUS**  
**VERIFIED**<sup>SM</sup>

AngusVerified validates your calves are sired by registered Angus bulls and make your cattle stand apart from other black hides on sale day.

Users of AngusLink programs earn **\$13-15/CWT PREMIUMS** on average. Give us a call, and learn how to claim your competitive edge with AngusLink value-added programs.

**ANGUSLINK**<sup>SM</sup>  
VALUE ADDED PROGRAMS

**ANGUSLINK.COM | 816-383-5100**

The Genetic Merit Scorecard and AngusVerified are administered by IMI Global.

THANK YOU TO OUR LUNCH SPONSOR

## TARGETED NUTRITION PROGRAMS FOR SERIOUS RANCHERS

---

**CUSTOM BLENDED FEED PROGRAMS** with a local staff as passionate about serving our customers as you are about your operation. **YOU DESERVE THE SERVICE AND RELATIONSHIP** of a local company with the resources of a large one.

With over 15 locations, our nutritionists, experienced sales staff and committed employees are focused on delivering one thing... **BETTER FEED, BETTER RESULTS.**
