

State Officer Nomination Form

The State Officer Nomination Form aides the members of the F.S.C.A.R. Nominating Committee in the selection of qualified candidates for State Office.

Please provide all information requested giving the committee a full description of your qualifications for State Office. The completion of this form does not ensure your nomination by the committee, nor does it obligate the committee in any way. Members completing this questionnaire will have an advantage over those who do not. However, members not nominated by the committee are not eliminated for running for State Office. If less than three members from a society is made by the Nominating Committee, any member of that society may choose to run from the floor.

Other nominees for State Office should have been a member of Florida's State Society for at least one (1) year prior to holding office. All State Officers must be members in good standing of the National Society and the Florida Society. Only three (3) nominees and/or State Officers are allowed from any one (1) society.

Completed questionnaire must be postmarked or emailed to both chairman by January 1, 2026. Information can be found online in the state directory.
