ACKNOWLEDGEMENT OF COUNTRY

Balak Skin would like to extend a special thanks to the Yugambeh and Darumbal peoples, upon whose lands this business has been forged. Our products are crafted in artisanal batches on Yugambeh land and then dispatched to Darumbal land for retail and storage. We acknowledge and honor the care and stewardship of these lands for over 60,000 years, and the many other First Nations peoples whose lands provide the ingredients we respectfully harvest. Our products would not be as rich, impactful, or meaningful without the knowledge, traditions, and care of the peoples who came before us.
