Exciting Snack Bar Highlights for the Crestwood Pool 2026 Season!

To help keep our lines moving smoothly on busy days, we're introducing a **Mocktail of the Week**. Each week will feature a new refreshing, kid friendly drink that's no fuss, just a cool treat to enjoy by the pool. We've also made a few thoughtful adjustments to our menu. After reviewing what sold well last season, we removed some of the less popular items so we can focus on freshness and avoid food waste. This helps us keep quality high and service quick, especially during peak hours.

BBQ Pop Ups are back and better than ever. Mark your calendars: **June 6** – Pulled Pork BBQ with the legendary Porker Fries and Pork Mac and Cheese. **July 11** – Baby Back Ribs **August 15** – Brisket and the delicious Moo Fries!

These events are some of the most popular days of the summer, and we can't wait to fire up the smokers and serve you some of our best barbecue. Here's to a tasty and memorable 2026 season at the Crestwood Snack Bar. See you at the window!

Crestwood Swimming Pool Association

Dear Crestwood Members,

As we prepare to open our gates for Crestwood Pools 66th season, I want to share how excited we are to welcome you and your families back for another summer of sunshine, community, and memories. Every season at Crestwood is special, but this one feels particularly meaningful as we continue building on the momentum of last year's 65th anniversary celebration.

Over the past several months, your Board has worked hard behind the scenes to deliver important upgrades that enhance both safety and enjoyment at the pool. One of the most noticeable improvements is our new audio system. Announcements are now clear and easy to hear throughout the facility, and music will play at a comfortable, consistent level that adds to the atmosphere without overwhelming it.

We are also thrilled to share that, through a partnership with PAC, we installed a brand new diving board for the 2026 season. This upgrade brings new life to one of Crestwood's most iconic features, and we cannot wait to see our divers young and old enjoy it all summer long.

These improvements are just the beginning. The Board remains committed to making thoughtful, long term investments in our 65 year old facility to ensure Crestwood continues to thrive for future generations. We are grateful for your support, your membership, and the community spirit that makes this pool such a special place.

Here is to a safe, fun, and unforgettable 2026 season at Crestwood Pool.

We cannot wait to see you at the water.

Warm regards,

Jeremy Losinno President, Crestwood Swimming Pool Board
