

## GENERAL

|   |               |   |             |
|---|---------------|---|-------------|
| <b>Product Type</b>   | Wall Mounted  | <b>Cooling Capacity<br/>Rated/Min(W)</b>                    | 2700 / 530  |
| <b>Cooling Capacity<br/>Max(W)</b>                          | 3490          | <b>Cooling Power<br/>Consumption<br/>Rated/Min(W)</b>       | 770 / 150   |
| <b>Rated Input<br/>Voltage(V, Hz)</b>                       | 220 ~ 240, 50 | <b>Indoor Unit<br/>Dimension_WxHxD<br/>(mm)</b>             | 837x308x189 |
| <b>Outdoor Unit<br/>Dimension_WxHxD<br/>(mm)</b>            | 717x495x230   | <b>Refrigerant Type</b>                                     | R32         |
| <b>Sound<br/>Power(Cooling)<br/>SH/H/M/L/SL(dB(<br/>A))</b> | N/A           | <b>Sound<br/>Power(Heating)<br/>SH/H/M/L/SL(dB(<br/>A))</b> | N/A         |
| <b>Indoor Unit<br/>Weight(kg)</b>                           | 8.7           | <b>Indoor Unit<br/>Weight(lb.)</b>                          | 19.2        |
| <b>Outdoor Unit<br/>Weight(kg)</b>                          | 21.7          | <b>Outdoor Unit<br/>Weight(lb.)</b>                         | 47.8        |
| <b>Product Type II</b>                                      | Inverter      | <b>HVAC Type</b>  | C/O         |

## GLOBAL\_ETC.

|                                |     |
|--------------------------------|-----|
| <b>Regulated model(Energy)</b> | Yes |
|--------------------------------|-----|

---

## COOLING

|                  |         |             |                    |
|------------------|---------|-------------|--------------------|
| <b>Fan Speed</b> | 6 Steps | <b>4way</b> | Up-Down/Left-Right |
|------------------|---------|-------------|--------------------|

---

|                    |     |                      |     |
|--------------------|-----|----------------------|-----|
| <b>Comfort Air</b> | Yes | <b>Power Cooling</b> | Yes |
|--------------------|-----|----------------------|-----|

---

|  |              |   |     |
|--|--------------|---|-----|
| <b>Airflow direction control (Up &amp; Down)</b> | Yes(6 Steps) | <b>Airflow direction control (Left &amp; Right)</b> | Yes |
|--|--------------|---|-----|

---

## AIR PURIFYING

|                |     |
|----------------|-----|
| <b>Ionizer</b> | Yes |
|----------------|-----|

---

## FILTER

|                    |     |                       |     |
|--------------------|-----|-----------------------|-----|
| <b>Dust Filter</b> | N/A | <b>Allergy Filter</b> | Yes |
|--------------------|-----|-----------------------|-----|

---

|                   |     |                         |     |
|-------------------|-----|-------------------------|-----|
| <b>Pre Filter</b> | Yes | <b>Fine Dust Filter</b> | N/A |
|-------------------|-----|-------------------------|-----|

---

## ENERGY SAVING

|                          |     |                       |     |
|--------------------------|-----|-----------------------|-----|
| <b>Energy Monitoring</b> | Yes | <b>Energy Display</b> | Yes |
