INNOVA's®... Southeast Asian Favorites!

At INNOVA, we have a "recipe" for success to ensure that every mouthwatering flavor meets your expectations. First, we blend a mix of creative and culinary skill from our Application Scientists, add a hearty serving of innovation from our Flavor Chemists and provide quick response from our Samples Team. Our Regulatory Team, Marketing Staff and Manufacturing Group then include their own unique expertise by adding more "flavor" to the mix. To enhance each order, our Sales Directors add a special "garnish" of dedication and inspiration to ensure your satisfaction.

Explore these enticing Asian flavors to see for yourself how INNOVA serves up innovation each and every time!
