Now serving at IFT 2005

Southeast Asian Favorites

The Asian & Pacific Islander population in the United States has grown more than any other culture over the past 20 years. While Asian dishes are becoming mainstream, consumers are turning to more authentic cuisines that bring new and exotic flavors to conventional dishes.

Designing flavors that mix the exotic and new with traditional favorites can always be found in our kitchen at INNOVA®.

SAMPLE OUR MENU!

Join us at IFT 2005
New Orleans, LA
July 17 – 19
Booth# 3641

Main Entrée

Malaysian Style Curried Beef Satay with Dipping Sauces

Tender grilled beef marinated in an exotic blend of aromatic spices reminiscent of the open air markets of Malaysia.

Served with a spicy smoked red chili peanut sauce* or a sweet apple soy dipping sauce.

*Allergen information; contains peanut

ROBUST® has what consumers demand with three specific lines of meat flavors.
