

When Power Counts...

PB-751

Echo is there with the biggest and baddest blowers in the industry starting with the PB-751. Unmatched power, unmatched value.

- 63.3 cc of pure commercial power.
- 620 cfm air volume and 205 mph air force at the pipe.
- Easy-to-reach, tube-mounted (PB-751T) or hip-mounted (PB-751H) throttle positions.
- Posi-Loc™ pipe connection system.
- 68 fl oz high capacity fuel tank.
- Super-duty, automotive-type commercial air filter.
- Comfortable operator ergonomics.

PB-751H (hip-mounted throttle shown)

Oversized, padded shoulder straps mean long, comfortable hours of operation.

NEW!

Echo-exclusive Posi-loc™ pipes ensure a secure pipe connection at all times.
