

2019 Dodge County Clean Sweep Collection

Published on April 17, 2019 by [laure.dei](#)

Extension Dodge County announces a 2019 Clean Sweep Collection date to write on your calendar! On **Saturday, August 24, 2019**, one collection site will be available for county residents to dispose of hazardous waste.

- Saturday, August 24, 2019: Beaver Dam
 - Collection Time: 8 am – 12 Noon
 - Site: Dodge County Highway Dept. Shop (Town of Trenton), N8856 CTH A, Beaver Dam, WI 53916
 - Hazardous Materials Collected: household, farm, business.
 - Cost: \$10

Clean Sweep programs provide the public with opportunities to safely and legally dispose of unwanted pesticides, household products and chemicals. This program collects, treats, stores, or disposes of waste in an environmentally safe method through a licensed hazardous waste facility. Hazardous wastes can usually be identified by products which contain any of the following words: caution, warning, danger, poison, toxic, ignitable or flammable, acid, corrosive or reactive.

All residents of Dodge County are invited to participate. Farms and businesses are asked to pre-register so as the waste disposal company can accommodate their needs. ***Pre-registration is required for agriculture (for large quantities) & small businesses by Friday, August 16th.***

Please call Extension Dodge County at 920-386-3790 between 8 am and 4:30 pm, Monday – Friday.

Clean Sweep Guidelines

- Materials should be properly identified with their original labels
- DO NOT MIX materials together
- Pack materials for your safety
- Pack containers in the trunk of your vehicle, away from people
- Unknown materials can be brought in, but Dodge County and its hazardous waste disposal contractor reserve the right to refuse any material
