RECYCLE BUILDING

Please see the attendant for the following items:

- Corrugated boxes should be flattened and given to the attendant for placement in the baler. (Persons under 18 are not allowed to place cardboard in the baler)
- All packing material must be removed from moving/storage boxes.
- No cartons with a laminated coating are to be baled. These items go in the recycle dumpster.
- **WASTE OIL & Waste oil filters (no fuel oil, gasoline, antifreeze or other automotive fluids)**
Waste oil will continue to be handled in the recycle building. Please check with the attendant.

If any resident is found to have left automotive waste fuel, e.g. gasoline, antifreeze, or automotive batteries etc. at the trash/recycle site the resident will be contacted to return to pick up the item(s). If the matter is not addressed promptly the matter will be turned over to the local authorities as well as be invoiced for the cost of disposal.

See Drop Site Attendant before disposing of any large or loose items.
