## A FINAL NOTE

Dear friends:  
I received a telephone call this evening [December 13<sup>th</sup>] from **Steve Levin**'s brother-in-law informing me Steve passed away peacefully tonight at 7:30 PM.

His sister Lois, Harold and dear friends were at his bedside giving him love and support throughout the evening. The family feels it appropriate to celebrate Steve's life sometime after their return from Port Townsend.

Respectfully, Ed [*Stout*]

**Steve Levin** was a founding member of the *Theatre Historical Society of America*, past president, and past editor of THSA's quarterly journal, *Marquee*. Born and raised in San Francisco, he was the son and grandson of Bay Area theatre operators and an acknowledged authority on San Francisco theatres.

### NORCAL CONCERT, MEMBERS ANNUAL MEETING, & DINNER JANUARY 25, 2009

Sunday, January 25<sup>th</sup> at 2:00 PM at the **Berkeley Community Theatre** is a date and time you should reserve. **Note—This event starts at 2:00 PM, not our usual 2:30 PM.** Not only will there be a *free concert* by our own talented 'PW' **Bowen**, but, as members of NorCal TOS, your participation in the business decisions of our association is vital. We will formally elect new Directors to serve on the Board and conduct any other business that may be brought forward.

Guests are welcome, but only *Active Members* can vote. Everyone can enjoy the concert and dinner.

As if that weren't enough incentive, we will continue a several year old tradition of having a *no host dinner* at *Henry's Restaurant* in the **Durant Hotel** on the street of that name, just 3 blocks South and 6 blocks East of the Berkeley Community Theatre. Meals are of excellent quality and reasonably priced. These after-meeting dinners have been very popular in the past. (*See more information on Page Three.*)

### YOUNG ORGANIST YOUTH CAMP

NorCal will contribute to the **2009 ATOS Youth Camp**. The contributions from NorCal members will be *matched* up to a total of \$1,500 by NorCal TOS and forwarded to the Youth Camp organizers, to pay for the expenses of transportation and housing of the selected young talent. This means that if NorCal members contribute \$1,500, we will send a check for \$3,000!

Let's support our beloved musical form and a young person who also appreciates it. Send your contribution in the form of a check made out to *NorCal TOS* and marked "*Youth Camp Donation*" to NorCal TOS, PO Box 625, Berkeley, CA 94701-0625.

## JONAS NORDWALL CONCERT NOVEMBER 2, 2008

What a great start to NorCal's 2008-2009 concert season! **Jonas Nordwall** never disappoints his audience, but I truthfully thought that this was the most exciting concert I've seen Jonas perform. As can be seen from the Playlist below, Jonas transcended the usual categories of music we hear at theatre organ concerts. Yes, there were show tunes (*from Sound of Music to Jumbo*). Yes, there was blues (*12-bar blues style*). Yes, there was classical (*Saint-Saëns, Mendelssohn, Grieg transcriptions*). Yes there was jazz. Yes, there was nostalgic music (*Ellington, Jesse Crawford*). Yes, there was ragtime (*can you say 'Scott Joplin'?*). Yes, there were novelties (*Jingle Bells à la George Wright*, featuring our tuned sleigh bells!). And that was just the beginning!

Jonas knows our NorCal Wurlitzer, having graced us with several concerts, over the years. It shows, in his deft use of its distinctive voices, to create just the right emotional impact for every phrase.

Jonas made a brief announcement about the Young Organists Workshop and Youth Camp that he, **Donna Parker, Jelani Eddington, Clark Wilson, and Jeff Weiler** devote so much of their time and effort to.

To top it off, this was the première of our new keyboard video projection system, thanks to the engineering skills and hard work of **Frank La Fetra**. The system worked flawlessly and added a new layer of enjoyment to the concert, permitting the clear visibility of the artist's fingers on the manuals, projected on a 10-foot wide screen at the right edge of the stage.

## OVERSIGHT DEPARTMENT

In our last issue, when listing some of the organists who played at the now closed **Bella Roma**, we neglected to mention a popular artist known as *Jump-N-Jack*, who is actually none other than our own **Robert Reichert**. Robert may be the only one who has made CD recordings on the *Bella Roma* organ, one that he calls *A Burlesque Parody*, and another he calls *A Rock Parody*, they are available from him. Robert is usually at our Record Table at concerts and sometimes substitutes at the Grand Lake.

## EDITOR'S RAVINGS

–Don Ravey

Our intrepid **Bill Schlotter** has already lined up an exciting concert schedule for next year! It's going to be a great pleasure to welcome back **John Giacchi**, from Australia, on *September 20, 2009*. John's last appearance in Berkeley was in 2002.

On a different note (*you'll pardon the expression*), how many of you were aware that one of the most extensive collections of popular and light-classical *sheet music* in the country is located right here in Oakland? The *Paramount Theatre Music Library* (**Jean Cunningham**, Librarian) consists of ten distinct collections, with a total of approximately 100,000 entries dating from the 1850s to 1980. The major source of early music is the **Walter J. Rudolph Library** collected by Rudolph during his fifty years as a vaudeville orchestra leader in San Francisco.
