Jonas Nordwall in Concert

Berkeley Community Theatre
2:30 PM, Sunday June 25

Enter through Stage Door at 1930 Allston Way

Jonas Nordwall is a native of Portland, Oregon. He learned to play the accordion when he was only four-years-old, and at the age of 16, Jonas performed for King Gustav Adolf during a tour of Sweden. At the age of ten, he continued his musical education by taking piano and organ lessons from Portland teacher, Goldie Pos.

Jonas was a featured artist at the 1966 American Theatre Organ Enthusiasts convention in Portland, playing the Rodgers Model 33-E electronic organ.

Jonas studied piano, organ, and orchestration with Arthur Hitchcock and graduated from the University of Portland in 1970 with a Bachelor of Music Degree in organ performance. Additional organ studies were with Frederick Geoghegan, Richard Ellsasser, and Richard Purvis.

Jonas has been the organist at Portland's First United Methodist Church since 1971. He currently holds the title, Artistic Director of Music and Organist. He is the organist for the Oregon Symphony Orchestra and has made several recordings with the

orchestra. He was also Senior Staff Organist for ten years at the Organ Grinder pizza restaurant in Portland.

An organist equally skilled in both classical and popular music, Jonas has presented concerts all over the world and has produced over 25 highly acclaimed recordings. The American Theatre Organ Society named him Organist of the Year in 1987. He has been a frequent performer at ATOS conventions and at regional conventions of the American Guild of Organists. Jonas has appeared on television programs in both the United States and Australia, and his recordings are often heard on Pipe Dreams, a syndicated PBS radio program.

The design and manufacture of pipe organs and electronic organs has always interested Jonas, and he was associated with the Rodgers Instrument Corporation for over 30 years. Jonas is currently affiliated with the Allen Artists Program.

Something Different for Audience Members – See Chairman’s Wind Line on Next Page

In the interests of both audience safety and professional concert presentation, you will be directed from the stage door into the theatre’s side gallery and from the gallery to main floor of the auditorium. This will bypass the narrow stage-side stairs and will allow us to use the theatre’s orchestra lift to bring up to console.

Special Attraction – On-Stage Munchies!

Our Vice Chairman,. Roy Powlan, has generously offered to set up coffee and cookies on stage during intermission. To make certain we all get our fill of goodies, intermission will be extended to a full 30 minutes.

THIS WILL BE A NORCAL “MEMBERS ONLY” CONCERT.
Members’ Admission: \$15.00 on the day of the concert.
Members can order tickets in advance of concert day for themselves and their guests from Membership Secretary Neal Wood for \$12.00. (See bottom of last page to contact Neal.)
Concert Special: Join NorCal for \$20.00 and you and your guest will attend the concert as our guest! You will be joining at the “Friend” Level and your year-long membership includes your “partner,” if any.

## CHAIRMAN'S WIND LINE

### "Attention: Concert Attendees"

NorCal will be trying a new procedure at our next Chapter Member's Concert, featuring Jonas Nordwall on June 25<sup>th</sup>. We have a tremendous capability to present a professionally staged concert at the Berkeley Community Theatre. We have a commercial stage with lighting and drapes and an operating orchestra lift. Since we have been entering the theatre via the back stage door and stage stairs to the auditorium, your Board of Directors has noted that there has been a potential for falling on the stairs or tripping on the footlights. In order to avoid these hazards we will have signs and crew members to direct all audience members to the auditorium via the east gallery, or if needed the handicap lift. Hopefully this will be a workable procedure somewhat reminiscent of when we used to enter the building via the main entrance. We will evaluate the procedure after trying it, and make modifications as necessary.

## OPEN CONSOLE SCHEDULE

Chris Nichols will host open console sessions at Berkeley Community Theatre on the following upcoming Sundays:

June 18<sup>th</sup>, July 16<sup>th</sup>, August 20<sup>th</sup>, and September 17<sup>th</sup>.

## PARAMOUNT THEATRE PROJECT

The NorCal organ crew is continuing restoration of the water damaged 5-rank chest from the main chamber of Oakland's Paramount Theatre of the Arts. We are now starting on reassembly. If you would like to see the "innards" of a Wurlitzer chest and/or would like to get involved in chest restoration (no

experience necessary – we will teach you how), please join our work parties which take place most Saturdays from 10 to 5. Be sure to call the NorCal answering machine at 510-644-2707 to make certain that the work party is still on for that day.
