

# Walk In Clinics of BC

324, 101-1865 Dilworth Drive, Kelowna, BC, V1Y 9T1

July 26, 2018

**RE: Walk-In Clinics of B.C. Association – 3<sup>rd</sup> Annual Conference, November 9<sup>th</sup>, 2018 at the Executive Hotel Vancouver Airport, 7311 Westminster Highway, Richmond, BC**

To whom it may concern:

Would your company like to meet and interact with walk-in clinic owners, physicians, elected officials, government representatives, and health-industry executives – and tap into a \$321.5 million-a-year\* B.C. industry?

The Walk-In Clinics of B.C. Association is pleased to provide you with an opportunity to reach the valuable health-care market of walk-in clinics.

We are holding our third annual conference at the Executive Hotel Vancouver Airport in Richmond on Friday, November 9th, 2018. Our keynote speaker is Ujjal Dosanjh, former BC Premier, and Federal Health Minister. He will be speaking about the important role Walk-in clinics have in our Canadian Healthcare system.

We invite you to participate either as an exhibitor or a sponsor. Attached is a registration package with more details.

Exhibits will be located within the main conference hall, thereby providing exhibitors and sponsors excellent access to conference participants. As well, our program features scheduled opportunities for attendees to visit exhibits and discuss your company's products and services.

We are excited to make available both sponsorship and exhibit-space opportunities intended to meet all budgets. Information on the various opportunities may be found on the accompanying pages.

Corporate and professional partners will be integral to the success of the Walk-In Clinics of B.C.'s conference, and we hope your company will take advantage of this opportunity to increase your exposure to this valuable target market.

Sincerely,

Mike McLoughlin, Founding Director  
(250) 317-4992
