And so we come to the end of this short history of the Andre and Madeleine (Boehr) Bier Family Tree.

We are very sorry to state that the family name of Bier, on this branch of the tree, is completely dead as there are no sons to carry on the name.

There are probably some mistakes in the foregoing and in time there will be many additional notations to make in order to keep it up to date.

If you have any changes to make, kindly communicate with
