

Sansom-Bier Wedding Quietly Solemnized

Among the late June weddings of interest to friends and relatives in this city, is the marriage of Miss Irene Fleury Bier, daughter of Mrs. Elizabeth Bier of Laurel street, to Mr. Maston Morrison Sansom, son of Mrs. Lee G. Beoddy of Vine St.

The nuptial vows were exchanged at ten o'clock this morning in St. Peter rectory, with the Rev. Father F. J. Kreuskamp performing the impressive ceremony. Miss Edna Bier, sister of the bride, and Mr. Andrew Sansom, brother of the groom were the only attendants.

The bride, a lovely brunette, was becomingly attired in a flat crepe dress, the background of eggshell, with dots of pastel embroidery, fashioned with long sleeves, with a basque waist and full skirt, the skirt edged in ruffles of pastel colors. With this she wore a medium sized hat, with shoes and hose to match. Her attendant wore for the occasion a flowered chiffon dress, with which she wore a short chiffon velvet coat of black, with hat and shoes to match the outfit.

The bride and groom left immediately after the ceremony for a motor trip to Canada and upon their return to this city they will reside in their newly furnished home on Clay street. For traveling the bride wore a smart navy blue ensemble, with accessories to match.

Mrs. Sansom was graduated from C. H. S. class of 1927, and is a member of the Sigma Phi Gamma sorority. She has been associated with The Paris for several years. Mr. Sansom graduated from C. H. S. with the class of '26, and is associated with the Warner Hotel Com-

pany. Best wishes for future happiness are being extended to the couple from their many friends.
