Regarding Human Resources within your Workplace

If you are not covered for sessions with a Registered Psychotherapist, would you like to approach your human resources office with information that helps employers understand the value of adding Registered Psychotherapists to their benefit package ? Yes No

If you would rather not contact your HR department, do I have your permission to contact your employer (or their HR department) to inquire about the possibility of adding Registered Psychotherapists to their benefit package? This would be done without mentioning your name to protect your confidentiality. Yes No

This form has been developed in order to help you access information about what benefits might exist for you in a Third Party Payer insurance package provided by your employer, or purchased on your own behalf. It is my goal to help educate my clients and their employers about the benefits of including Registered Psychotherapists as preferred providers in their mental health benefits as a way to help clients access insurance coverage.

IF YOU ARE NOT INTERESTED IN INFORMATION ABOUT INSURANCE COVERAGE FOR YOUR PSYCHOTHERAPY, AND WOULD PREFER TO PAY PRIVATELY, PLEASE CHECK HERE:
