June Meeting Notes

13 members attended the meeting on June 10th.

Deb is working on a new T-shirt design which will include sheep, rabbit, and other cute animals. Will be a line drawn design and once printed, will schedule a color your own T-shirt Day for everyone.

Discussion on 2026 classes were held

Some possible classes that may be offered next year for Market Day include:

- Tape loom weaving
- Drop Spindle
- Beginning Spinning
- How to spin boucle' yarn

Wool being processed by Prospect Mills is now back with us. The wool is beautiful! It is in 3 colors: gray, brown, and light brown. The wool should be used for guild demos and for teaching. We have more than we need for classes and events and will decide on how much sell it per pound.

The Wolcott House event on June 26 was successful. Four members taught campers weaving, spinning, and sewing.

New Business:

July and August meetings will be informal gatherings just to spin together. The locations will be determined at the June meeting.

At the September meeting will discuss of ideas for Oct-June meetings.

Volunteers on Market Day are needed to set up and take down tables and chairs, and during the event to welcome attendees at the door and cover the Guild's table.
