FOUNTAINS

This **Custom Spillway Bowl Fountain** feature provides the tranquil sights and sound of moving water in even the smallest spaces. This entire water feature fits in about a 4' x 4' area.

\$5,750

This **Stacked Slate Sphere Fountain** is the perfect accent to a landscape bed! Its ripple texture creates unique, splashing sounds which allows water to be seen from all angles.

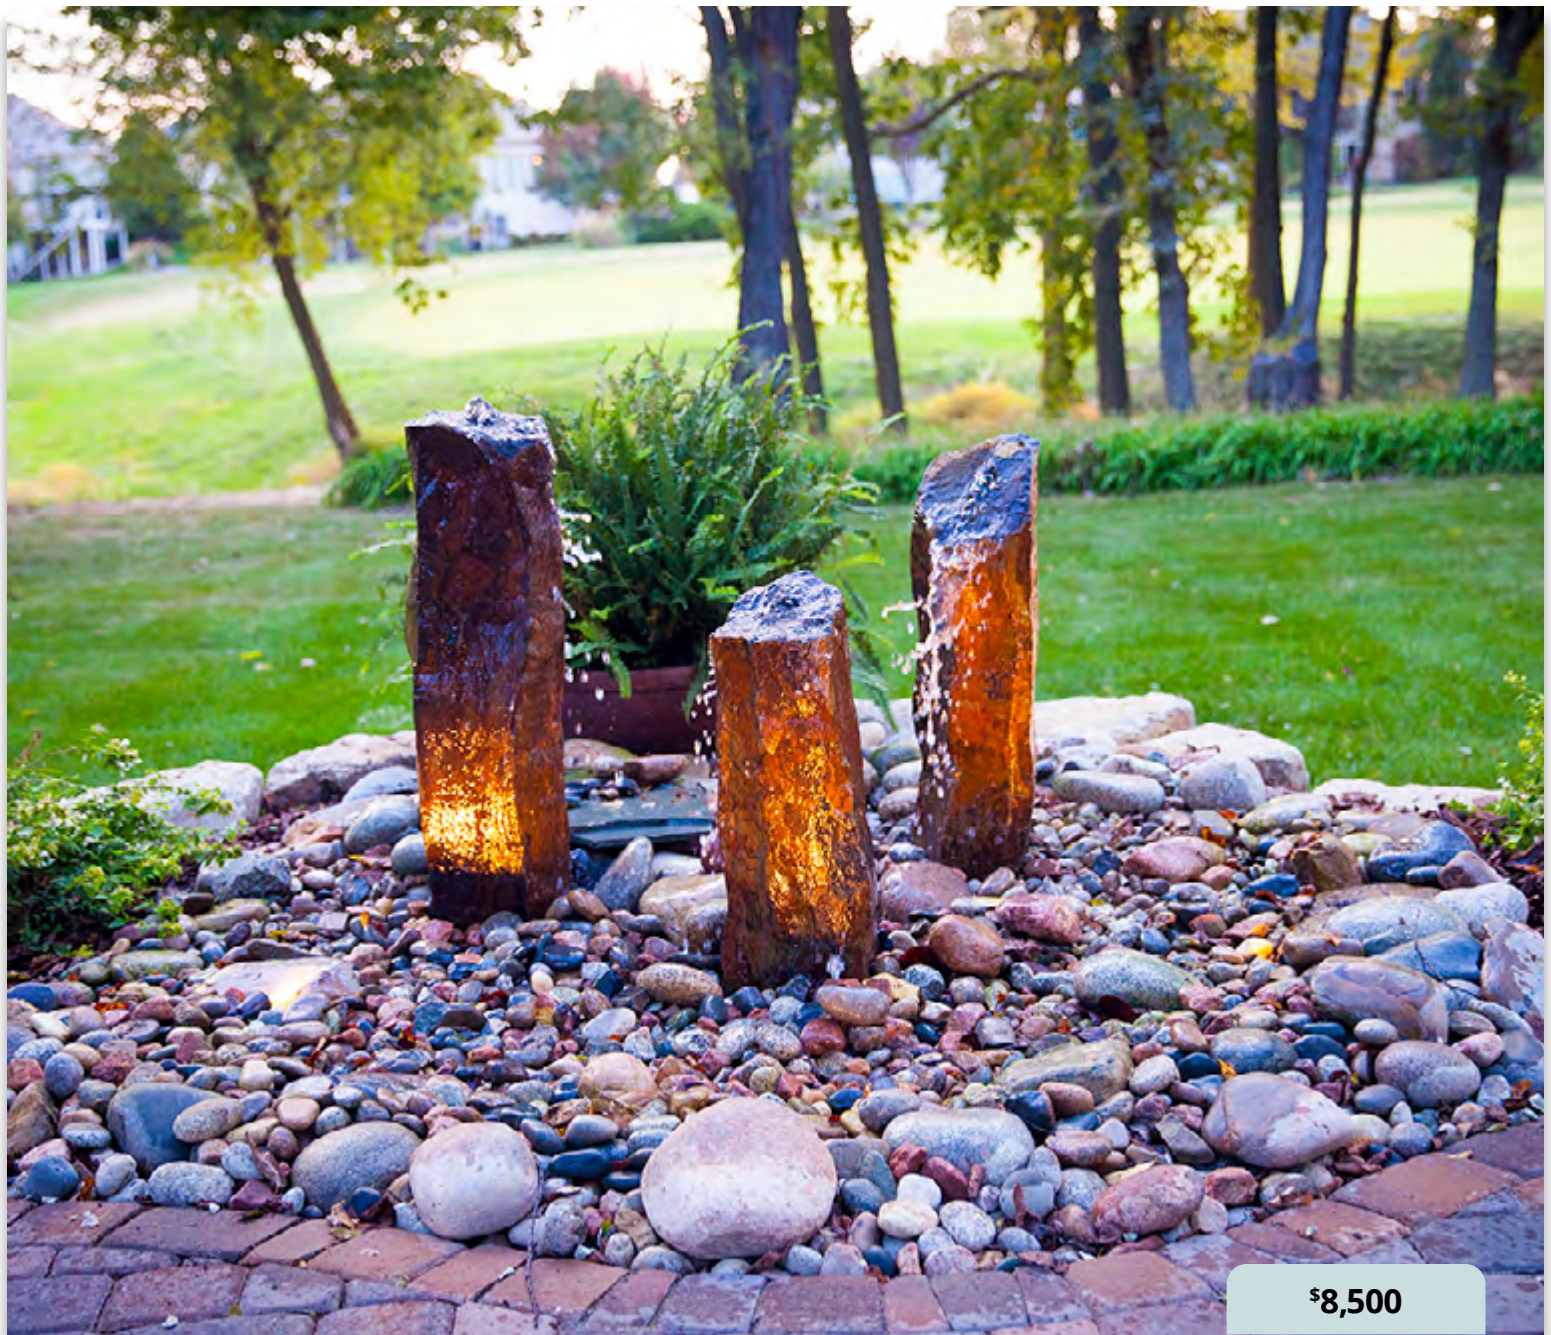

This **Natural Bubbling Boulder Fountain** was hand selected and drilled to create movement and visual appeal to the landscaping in this backyard. No two boulders are alike which makes every bubbling boulder fountain a unique piece of art.

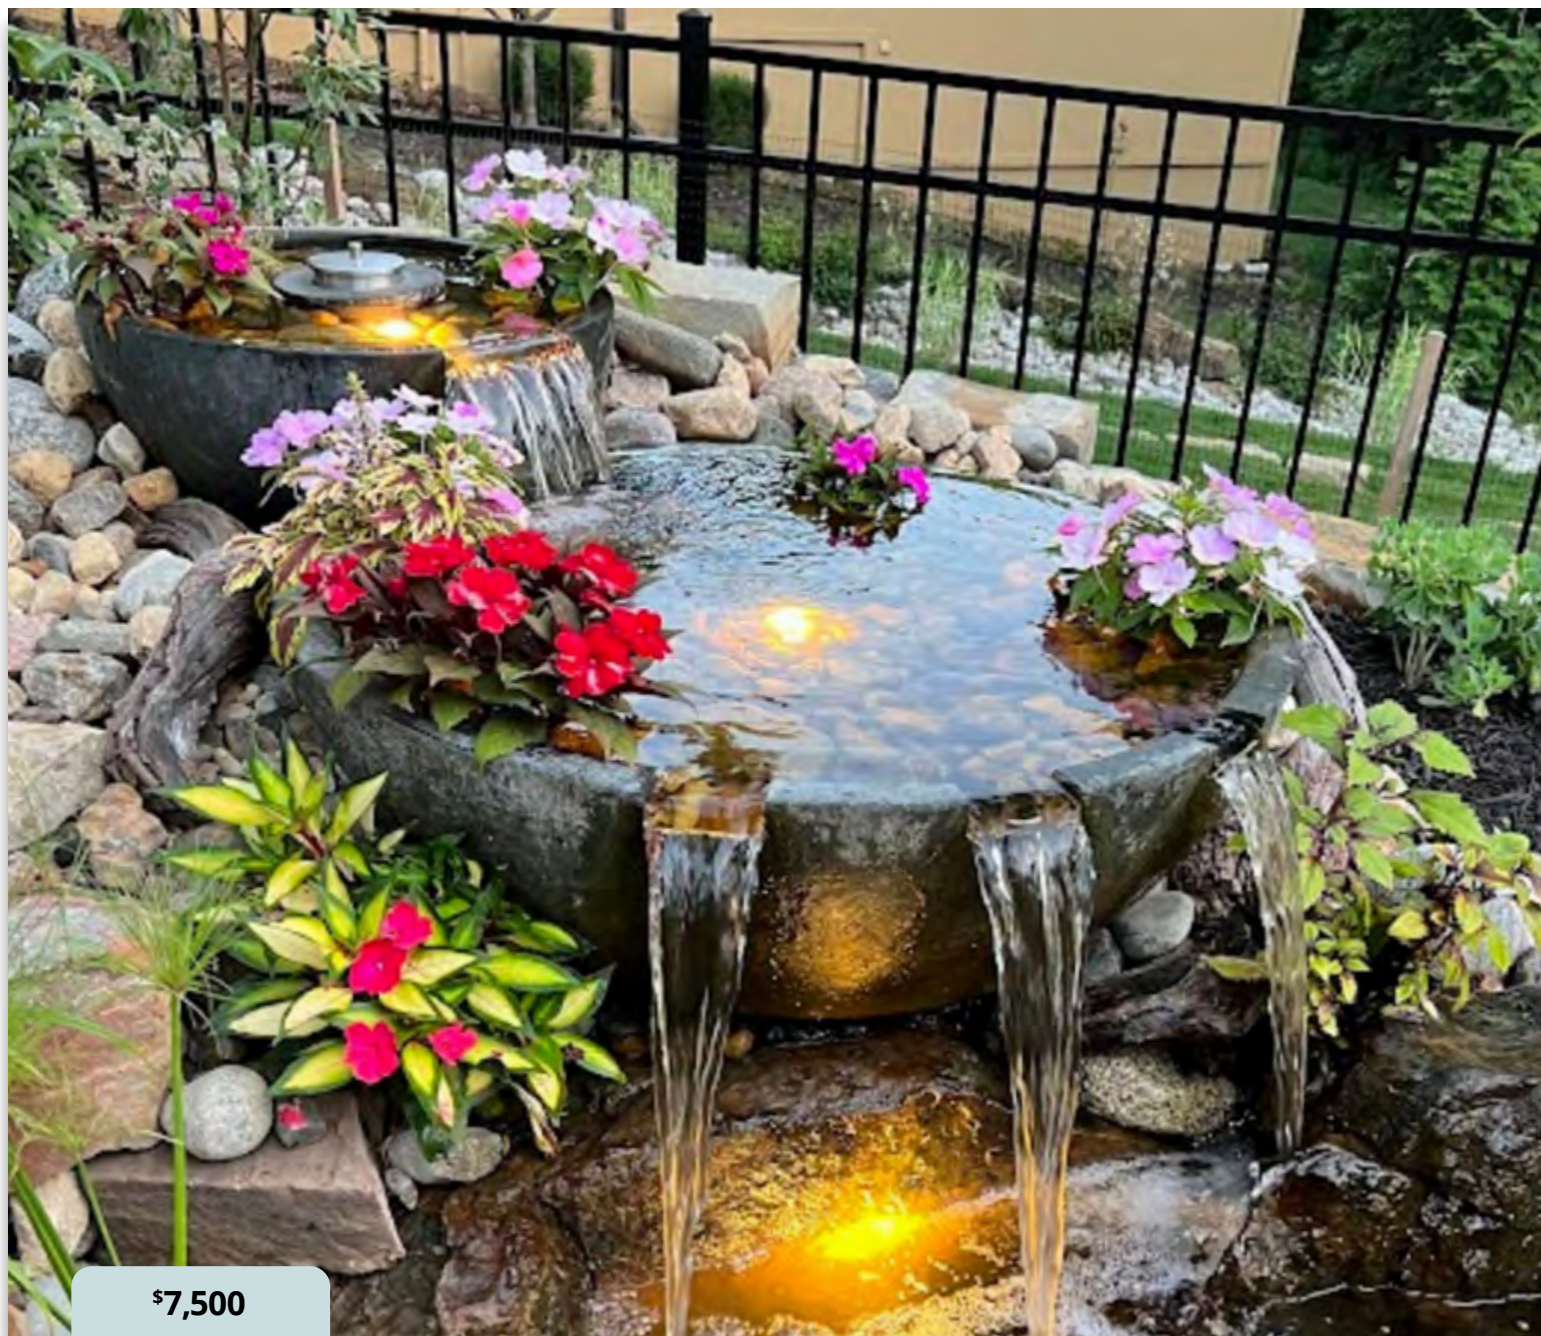

\$7,850

This **Stacked Slate Urn Fountain** is a great focal point and adds height to the low shrubs in this landscape bed. The space around the urn provides a spot for lush landscaping and colorful flowers. The urns are available in three different sizes to perfectly fit in your unique space.

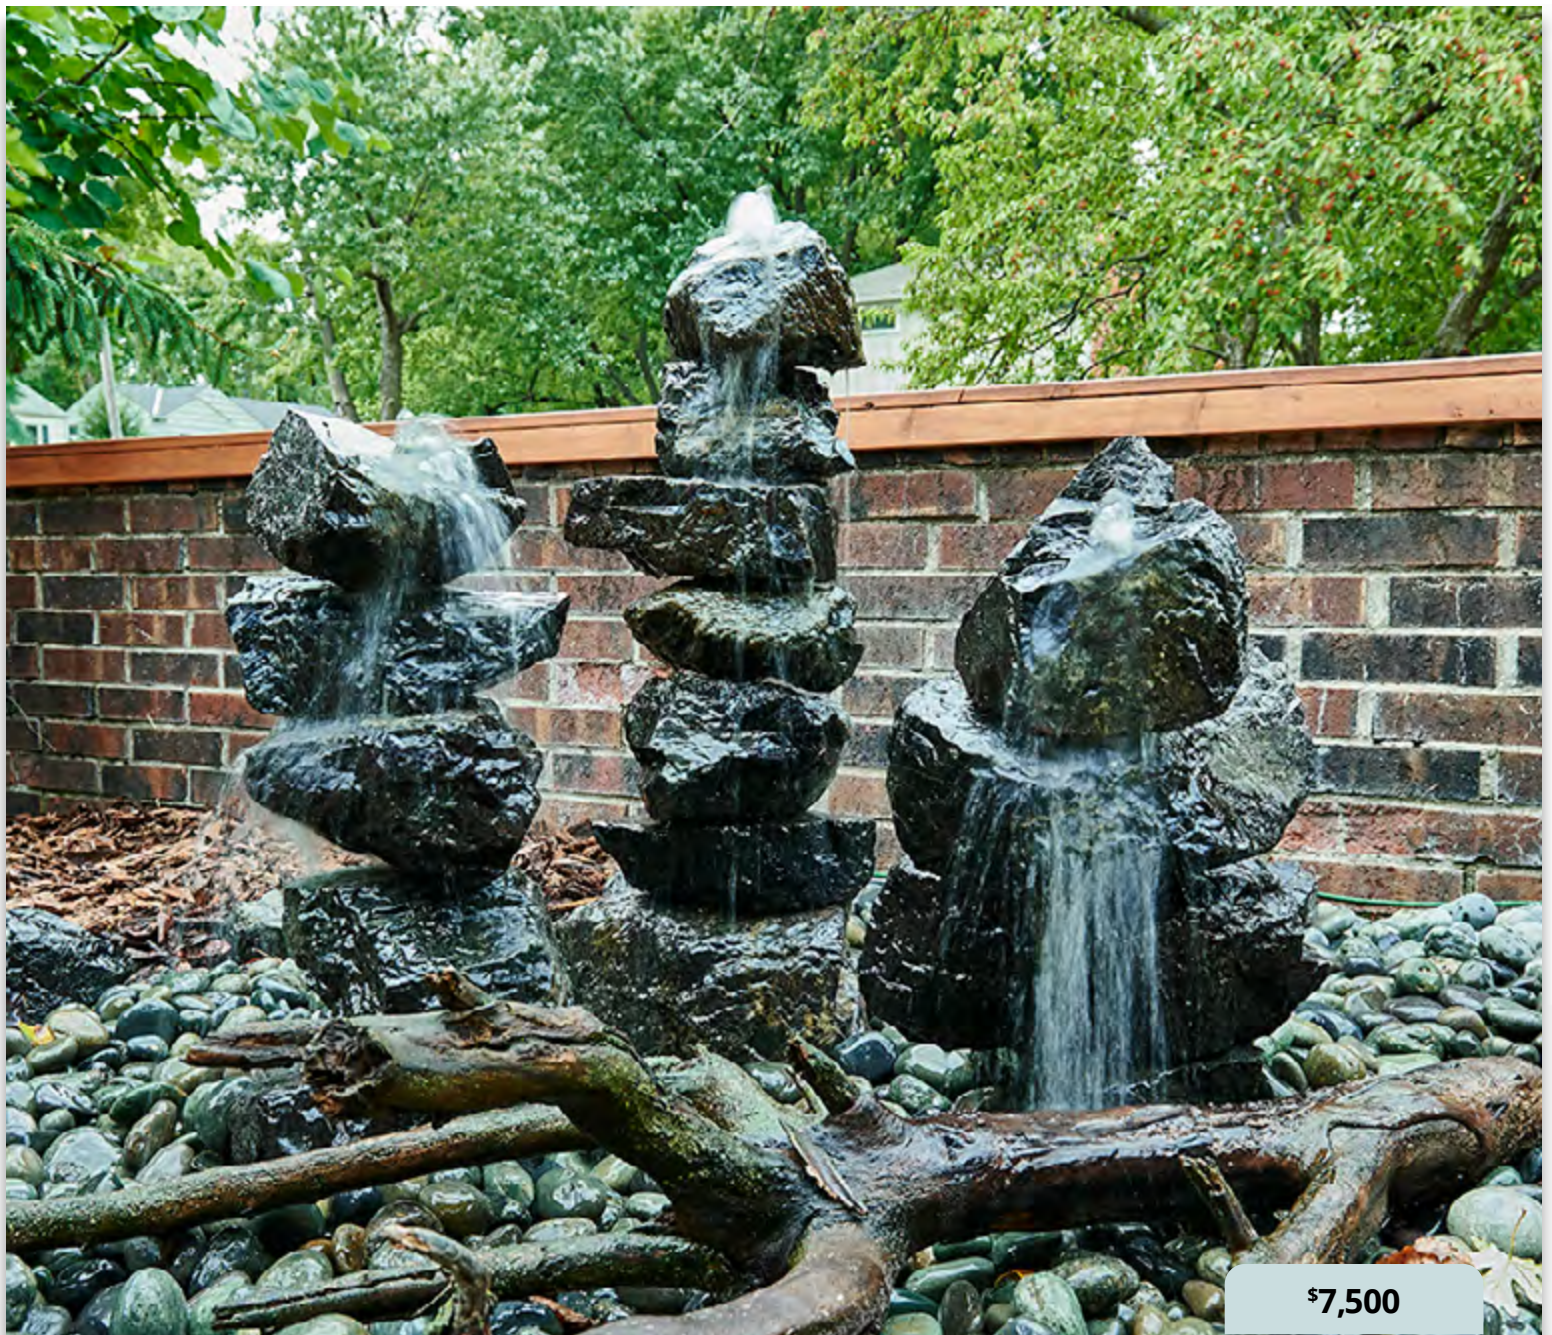

\$8,500

These **Upright Basalt Columns** are the perfect fit in this compact landscape bed. The combination of height and the beauty of the natural stone color offers impressive curb appeal that can be seen from a distance.

\$7,500

These **Double Tiered Bowls** offer planting pockets for colorful annual flowers and the **Spillways** are custom cut to create a variety of unique water patterns.

These **Black Obsidian Boulders** were core drilled and stacked in a unique pattern that allows water to splash from the stones in all sorts of unique angles. *This fountain was featured on HGTV's show Bargain Mansions, Season 3, episode 10.*

STARTING AT
\$10,000

These **Custom Drilled Moss Rock Boulders** create a unique focal point in this large landscape bed in front of this home. Boulder outcroppings and driftwood stumps add character and a rustic theme to fit seamlessly into the landscaping.

The only limit is the imagination!

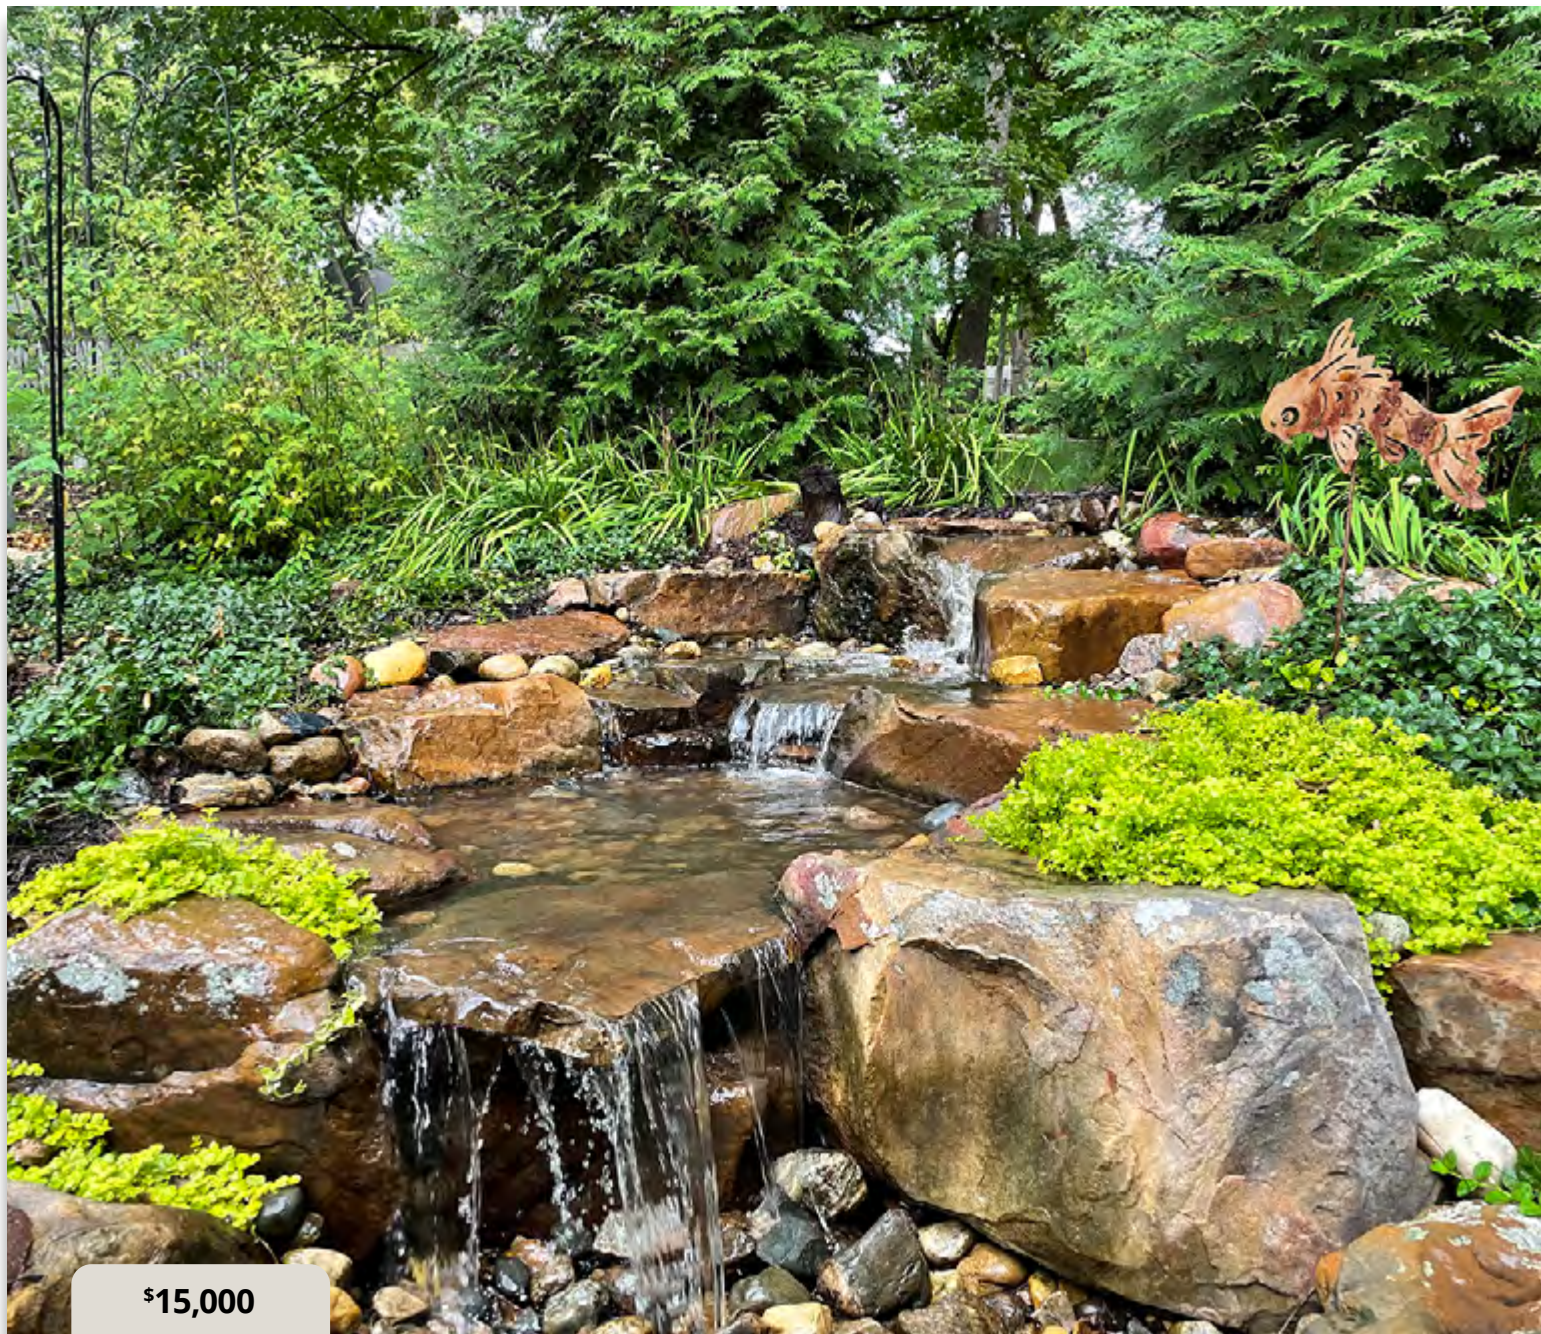

PONDLESS WATERFALLS

\$12,000

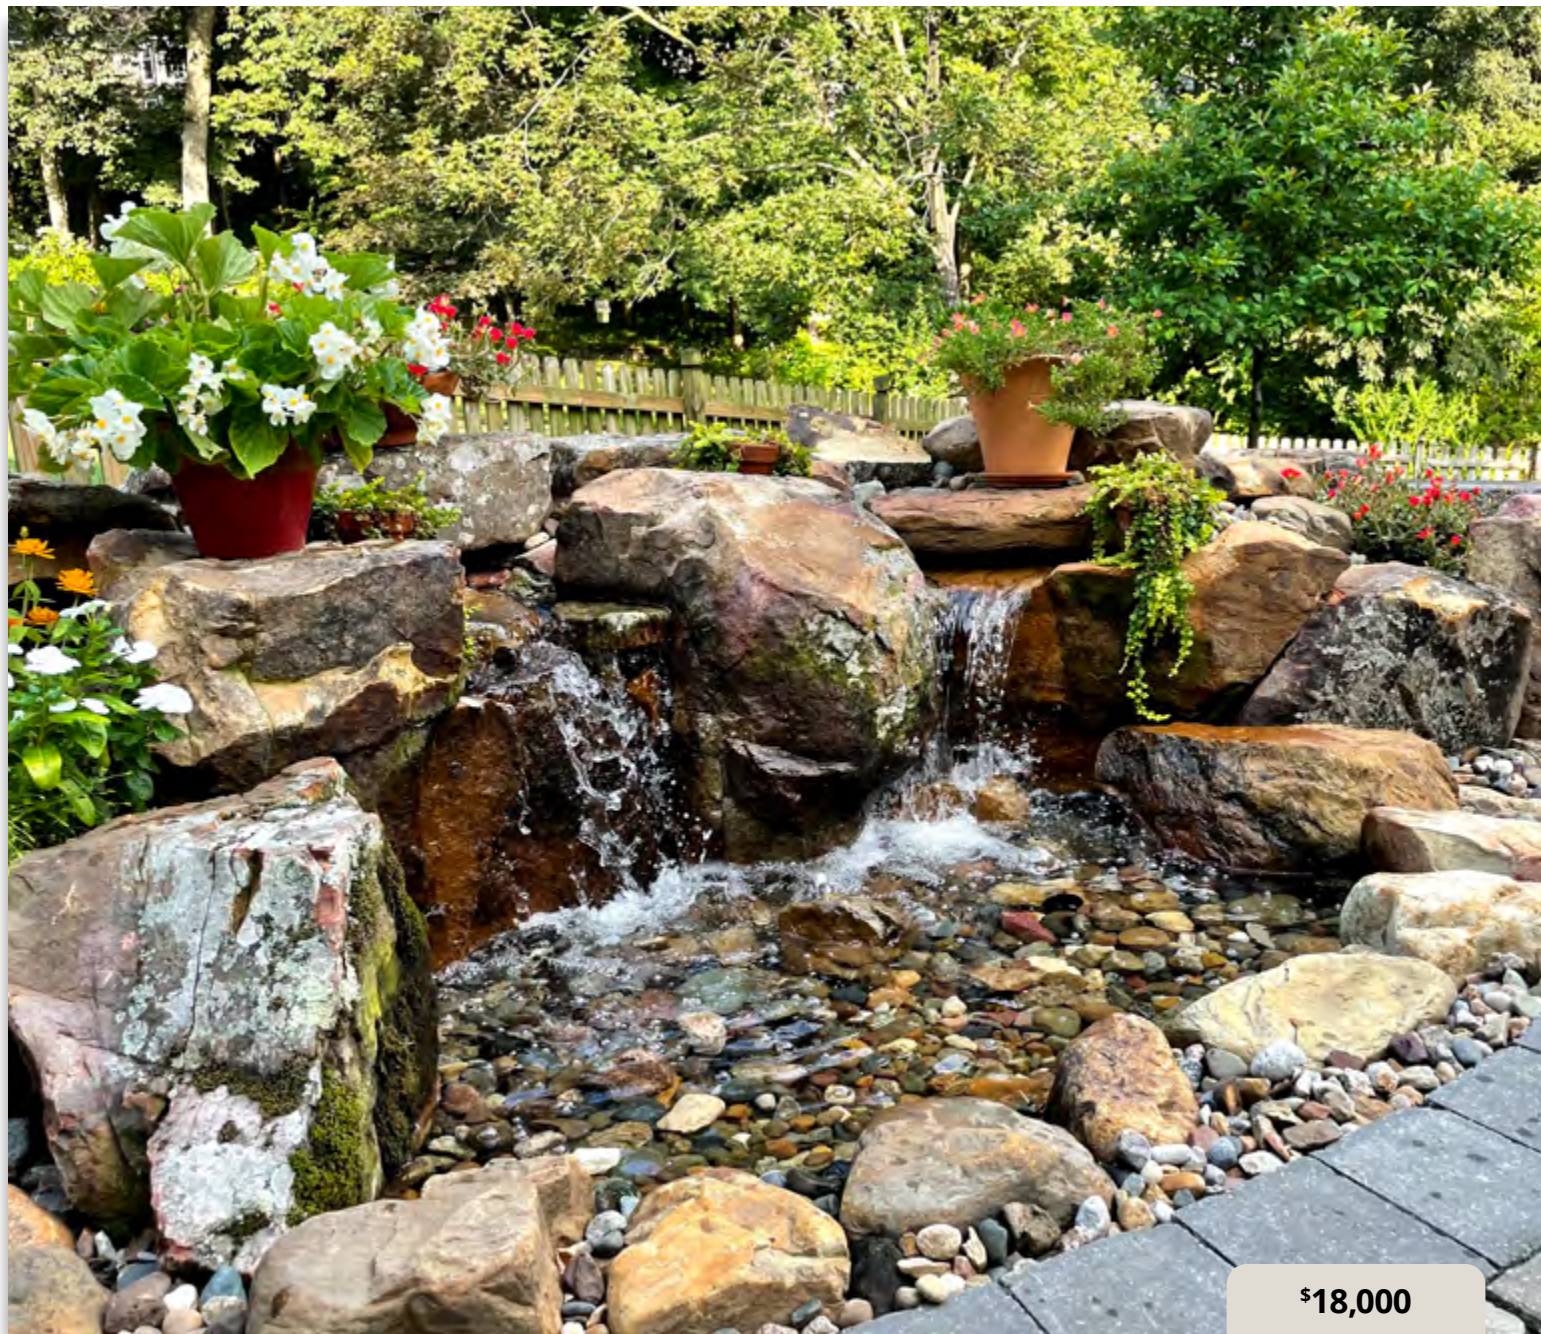

This **Pondless Waterfall** emerges out of the landscape berm in this shade garden and the sound livens up the atmosphere around a variety of hostas, ferns, and other unique perennials. (*Approximately 6' of stream*)

\$15,000

This pondless waterfall was named "Serenity Falls" by its owners for the serene, tranquil environment it creates by the patio space and when relaxing in the hot tub.

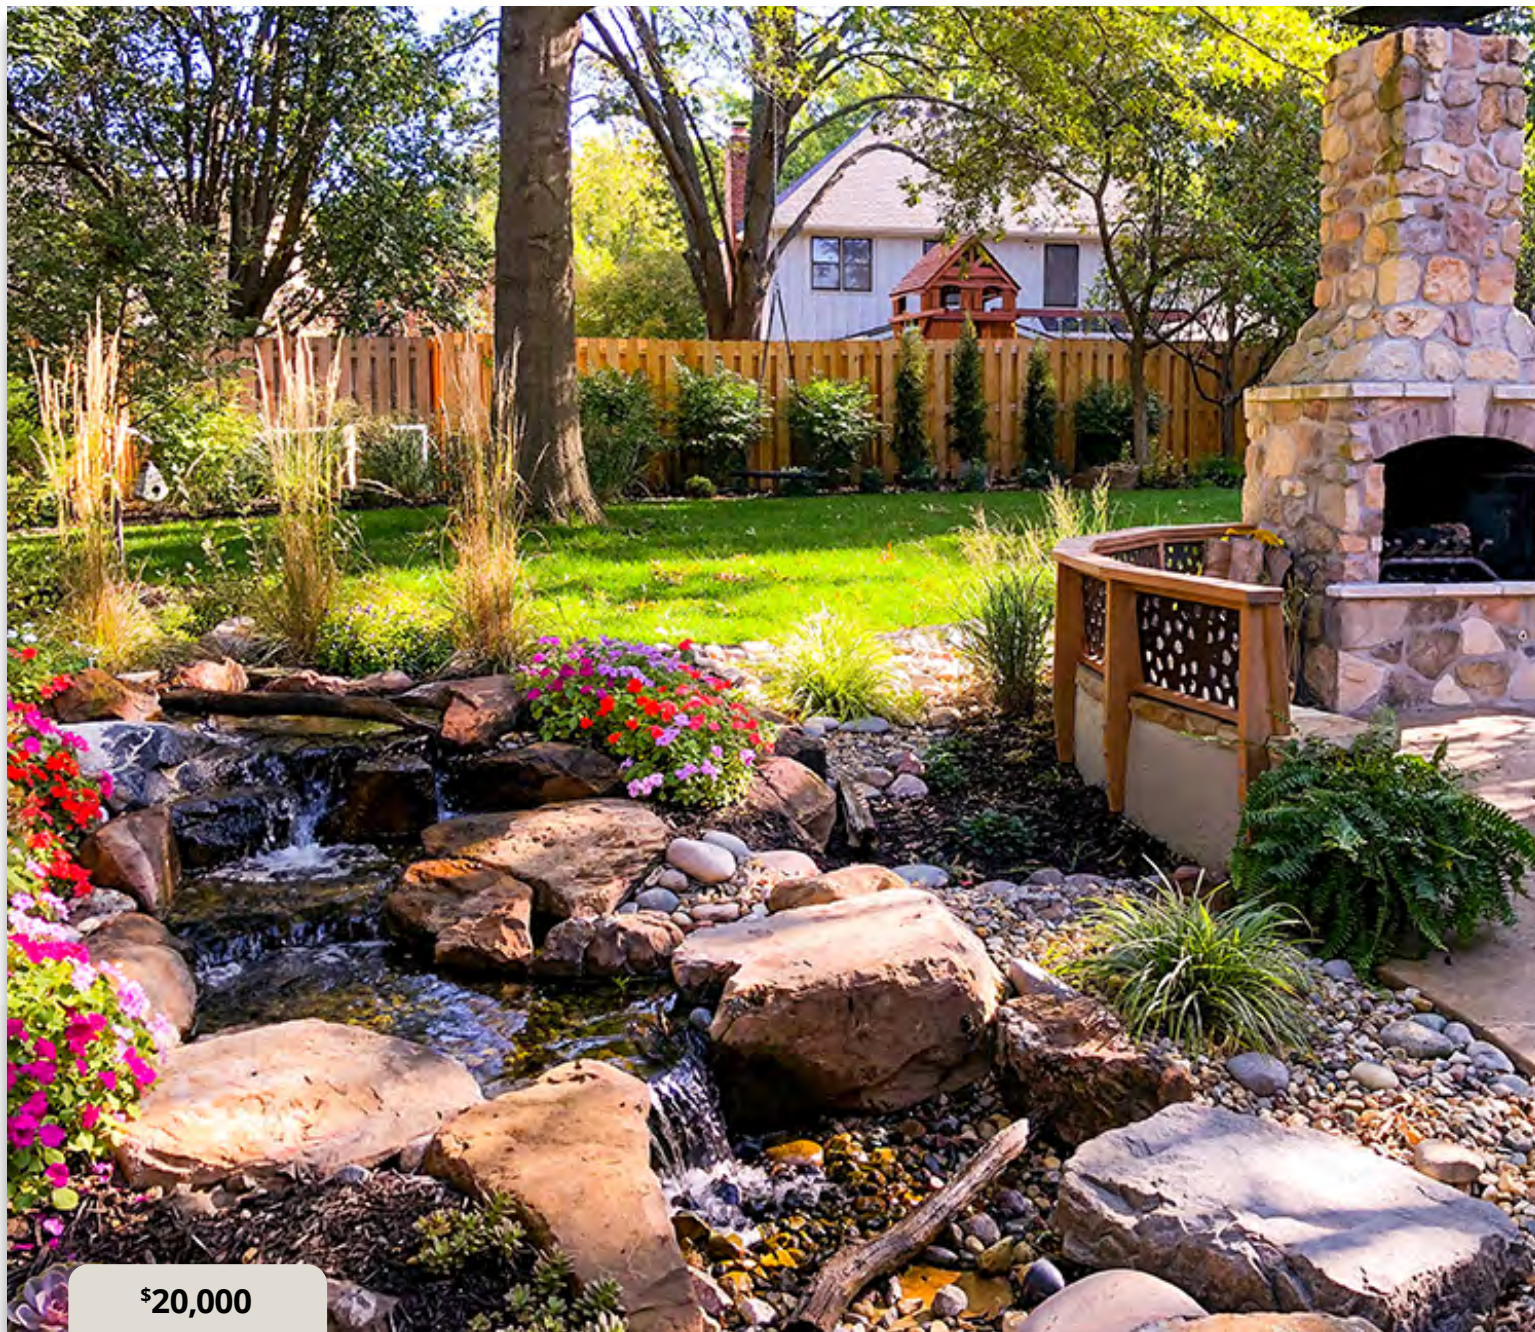

(Approximately 8' of stream)

\$18,000

This unique **Dual Cascading Pondless Waterfall** is built right into this paver patio creating a compact stunning focal point, right next to the seating area!

(Approximately 30' tall)

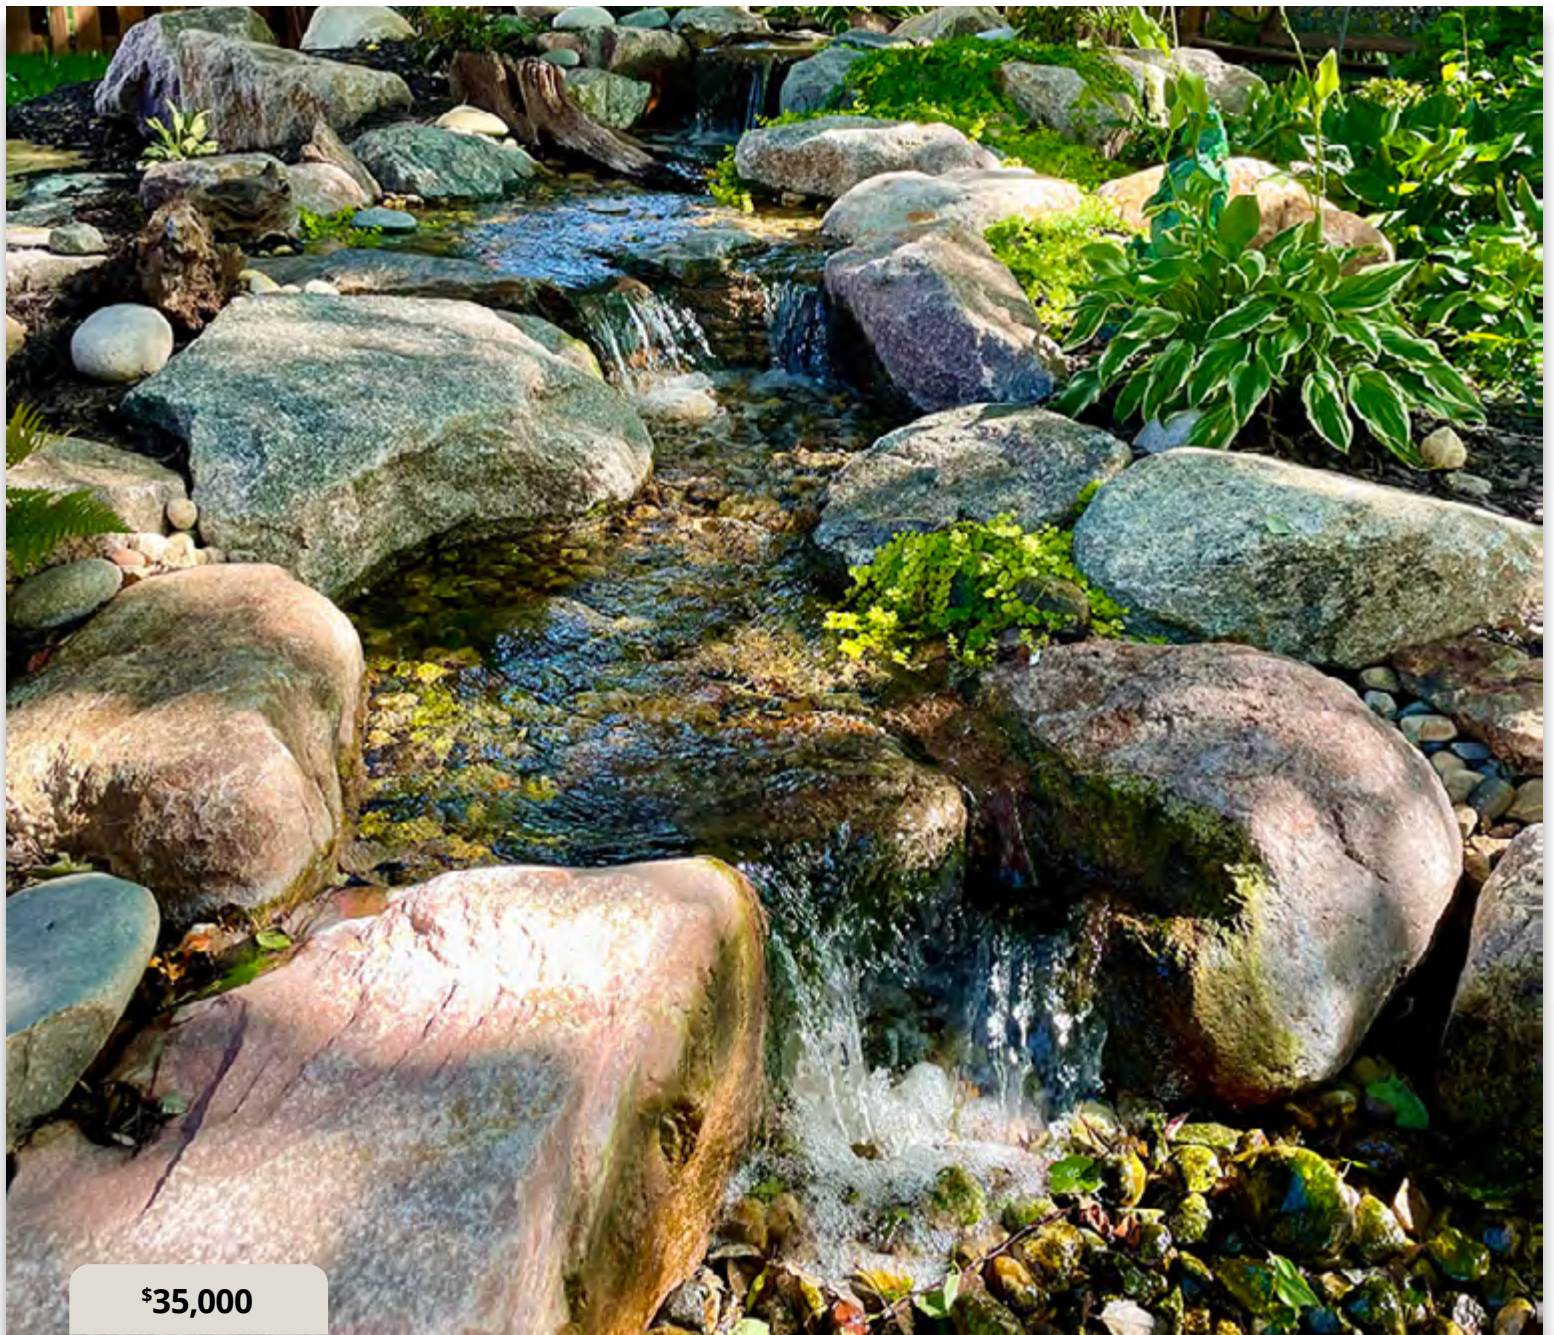

\$20,000

The combination of a **Crackling Fire** and a **Flowing Waterfall** makes this patio space the perfect spot to enjoy your backyard on a pleasant evening.

(Approximately 12' of stream)

This pondless waterfall was made from **Large Moss Rock Boulders** and has a **Custom Spillway Bowl** as a beautiful accent. The sound of running water resonates and bellows underneath the covered deck. *(Approximately 16' of stream)*

\$35,000

This **Granite Boulder Pondless Waterfall** was inspired by hiking in the mountains in California and brought to a midwest backyard. *(Approximately 25' of stream)*

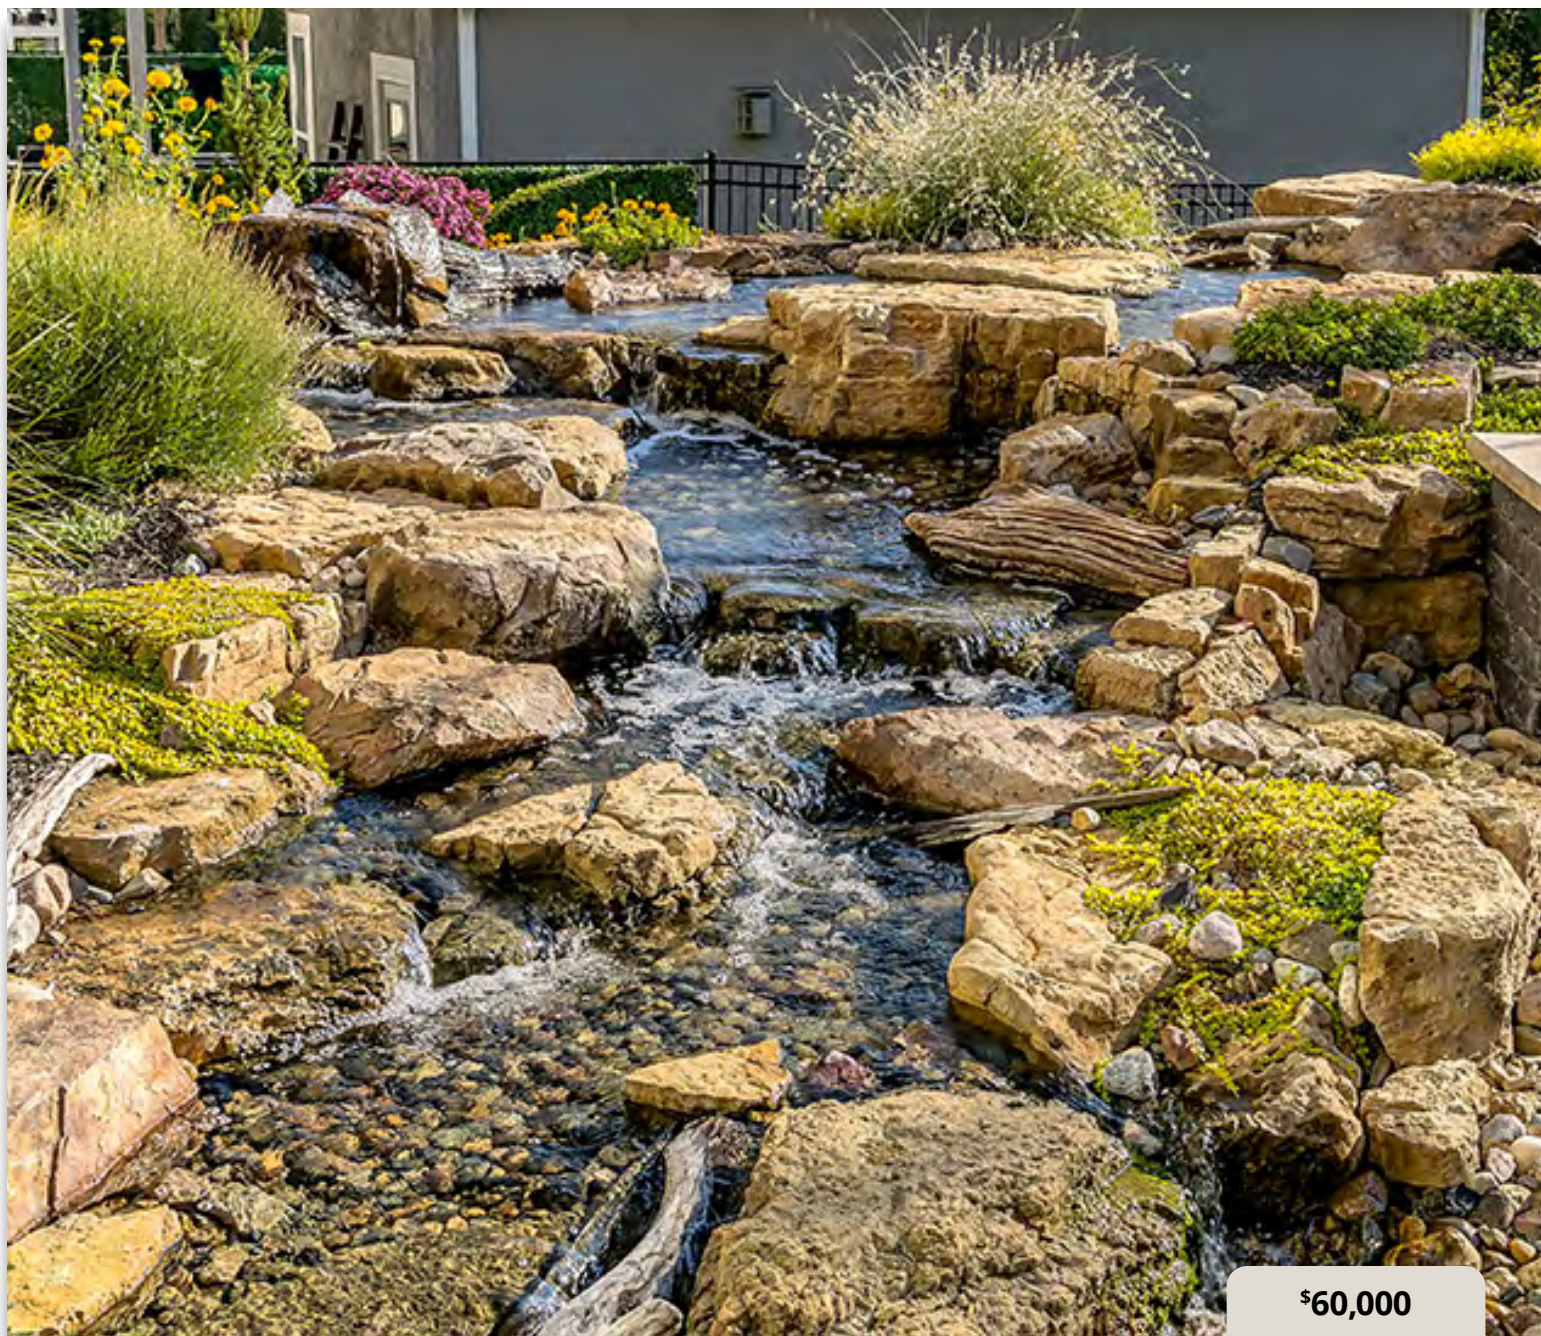

\$50,000

This outdoor living space is designed around a **Pondless Waterfall** (*that stands almost 6' tall*) **with Large Boulders** and creates an impressive focal point during gatherings.

\$55,000

This dual cascading waterfall was once a steep unusable hill. Now these homeowners are enjoying the experience of a beautiful water feature with multiple cascading waterfalls and a colorfully landscaped hillside. (*Approximately 30' of stream*)

\$60,000

This pondless waterfall with a custom of bubbling boulder takes this patio seating area to a new level. This home was built with views in mind of having a backyard waterfall visible from every window on the back of the house. *(Approximately 40' of stream)*

\$95,000

Built on a home with acreage, this large pondless waterfall meanders through the yard offering approximately 65' of stream and provides large stepping boulders and walk up pebble beaches for the kids to splash and play in the stream.

This **Pondless Waterfall** greets residents and guests at the entrance of this subdivision and was meant to look indistinguishable from a natural cascading stream. (*Approximately 65' of stream*)

PONDS

\$18,000

This **Backyard Fish Pond** is the perfect starter pond that adds a natural touch to even the most compact backyard space. (*Approximately 8'W x 10'L x 2'D*)

\$27,500

This custom designed backyard pond has **Dual Spillway Bowls** as the main waterfall and large stepping rocks that seem to float across the water. (Approximately 9'W x 12'L x 2'D)

\$35,000

This water garden fills the entire landscape and offers a no mow backyard. Lush Lotus plants tower over lily pads and colorful Koi Fish swimming below.
(Approximately 11'W x 16'L x 3'D with 5' stream)

\$50,000

The sight of the custom spillway bowl and the two waterfalls creates a spectacular view when first entering this backyard living space. Sitting next to the pond underneath the covered porch creates that ultimate backyard oasis. (Approximately 15'W x 25'L x 2'D)

The gravel beach of this backyard pond is the perfect spot to sit and experience the wonderful lifestyle that a water garden brings. The large black granite boulders create a unique look that contrasts nicely with the surrounding landscape. (Approximately 15'W x 25'L x 2'D with 6' stream)

\$55,000

Aside from the great sights and sounds of the crystal clear water, a water garden isn't complete without lush colorful landscaping. This pond provides a setting for beauty and visual interest all year round. (Approximately 14'W x 22'L x 2.5'D)

\$125,000

This rec pond provides a destination to interact and enjoy the water from multiple areas of the backyard. Whether it's wading in the shallows or swimming with the fish, rec ponds offer the ultimate experience for reconnecting with nature at home! (Approximately 15'W x 30'L x 4'D)
