PROFILE

GOEL FREIGHT CARRIERS is an offshoot of a premier group organisation engaged in the business of transportation and allied activities, established 54 years ago in 1968. Over the years, the group has grown by leaps and bounds and has, today, established ~~its reputation~~ ^{itself as one of the} largest transport undertakings in India. Organisation is eminently and efficiently rendering ever improving, transportation and allied services.

These activities are being undertaken and the services thereof, provided from strategically located, well-knit branch offices, spread all over India.

SERVICES

The Organisation is successfully performing the tasks of carrying the Consignments to and from every nook and corner of the country. The territory where the Organisation performs and carries out its operations ranges from Kashmir to Kanyakumari, Kutch to North East. Maintaining a constant eagle-eyed vision on all the operations ensures the safety, swiftness and precision. The Organisation manages and maintains a day-to-day follow up and personal touch with its clientele thereby relieving their tension. A team that is highly professional in its approach renders the services; nonetheless it is so personalized that the esteemed clients, feel right at home. The Organisation ensures that there is no communication gap between it and its clients, for which the officials of the Organisation are duly equipped with mobile phones and email systems. The organisation acquaints its staff with all novel inventions and improvements in the fields related with the transport industry and correspondingly provide them the necessary training for upgrading their output. The Organisation effectively engages itself in transporting full truckload of consignments ranging from the minimum possible goods, in volume and size, to extremely heavy and odd dimensioned articles.

Infra Structure

The Organisation performs its activities through its vast and strategically located well-knit Branch structure, spread all over India.

Operations

The Organisation carries consignments to and from various destinations, throughout India, as per the requisition of the clients. The said operations are performed under the personal guidance and supervision of the Operations Managers who manage the same with the aid of modern communication systems. The staff of the Organisation interacts with the clients, on daily basis, recording their requirements for the day and correspondingly providing them with the demanded vehicles.

Accounts

The Accounts Managers adhere to the strict accounting procedure laid down by the Management of the Organisation. The staff is duty bound, to reconcile the accounts with the clients, on periodic basis and is guided to ensure regular submissions of bills. The said staff prepares and maintains all possible reports for the convenience of the clients and the same are made readily available to them.

Fleet

The Organisation possesses a magnificent fleet, which includes Container Body Trucks fitted with modern containers in consonance with International Standards, Car carriers, Covered Body and Open Body Trucks, Trailers and Light Commercial Vehicles. The fleet is capable of carrying small consignments to very heavy articles. The Organisation has carried single unit, odd dimensioned, heavy industrial components, weighing about 140 Tonnes. Other than our fleet, we also have a large fleet of vehicles that is attached to our organisation and ply under the umbrella of our group.

Technology & Communication

The Organisation, in tune with the changing times and for maximum consumer satisfaction, maintains good communication system and a close watch on all the operations, with the aid of Electronic Mailing System, GPS, CCTV, Mobile phone, Internet and other relevant apps.

Man Power

The Human, being beyond the concept of absolution, is the greatest asset of the Organisation. The Organisation operates and relies on its strong committed and energetic manpower which though being thoroughly professional is effectively personalized.

Provision for Escort

The Organisation, at the requisition and at cost of its clients, arranges for carrying, on board or along with the vehicles an escort /courier /personal attendant, along with the consignments due for transportation.

Provision for Urgent/Speedy delivery

The Organisation arranges for urgent, time bound delivery of consignments, through its special fleet, subject to payment of meager incentive over and above the freight. Such incentive is nothing, when compared to the gain, the client makes consequent to such urgent delivery. To exemplify, the Organisation has delivered consignments Ex-Hyderabad to Gurgaon, in 50 hours flat. However, these tasks are undertaken, subject to the natural/other calamities.

Project Carriers

The Organisation has obtained expertise in carrying and transporting complete projects. The Organisation undertakes the transportation of Heavy and Odd Dimensioned Industrial Plants and Machinery. The said expertise has been acquired through sheer practical experience, as the Organisation has in the past carried complete projects for Refineries, Plastic Molding Plants, comprehensive CPT & Glass project, Molding plants and Power Plants.

Dedicated Transportation Service

The Organisation provides, its vehicles, to a particular client, upon agreement, whereby the said vehicle(s) are plied, exclusively for the requirements of such client only, on periodical basis.

IDEOLOGY

Our idea of serving as an important part of supply chain by understanding the importance, value and urgency of the consignments makes us an integral part of the whole team of our esteemed clients.

MOTTO

Our motto of GROWING TOGETHER is our secret of success over the years. A testimony of which is our growing clientele.
