A man in a dark suit is seated on a black piano stool, playing a black Fazioli grand piano. The piano is positioned in a modern, minimalist room with large, floor-to-ceiling windows. The walls and ceiling are made of large, light-colored panels. The floor is also made of large, light-colored tiles. The room is illuminated by warm, ambient lighting, with a bright light source visible through the windows. The text "THE FLOATING FAZIOLI" is overlaid on the image in a white, serif font.

THE FLOATING
FAZIOLI

A photograph of Paolo Fazioli, founder and owner of Fazioli Pianos, standing behind a grand piano. He is an older man with grey hair and glasses, wearing a dark suit and a blue patterned tie. He is smiling and has his hands resting on the piano's frame. The piano is a dark, polished grand piano with its lid open, revealing the internal mechanism, including the strings and hammers. The background is a softly lit room with white curtains and a vase of white flowers on a table.

PAOLO FAZIOLI-FOUNDER & OWNER OF FAZIOLI PIANOS

MILAN, ITALY

"All of the woods, metals, and strings that go into a FAZIOLI piano are of the highest quality. The piano's superior tone and longevity are attributable to the usage of these materials. Meticulousness and Skill: Each and every FAZIOLI piano is a work of beauty thanks to the painstaking handcrafting process."
