Items of Interest

• Assisted the DPS by using our sound system for a memorial service for a fallen trooper.

Chief McConnell attended the following meetings:

Attended an Urban Area Ad Hoc Committee (UASI) meeting.

Communications Division

During the month of July, communications streamlined the process for fingerprints. The form has been simplified and the hours have been set from 8 am to 5 pm, Monday through Friday. The cost for fingerprints \$6.00.

This month we also had one of our Horizon City police explorers sit along with us for a few days this month while she was on her school break. Explorer Carranza handled some of our incoming calls and assisted with some of our daily tasks. She learned what dispatching is and how the calls are handled from the time they are received at the dispatch office, to the dispatching of the unit, to the closing of the call with a disposition. She expressed interest in applying for a dispatch position in her new city while she attends college. We wish Explorer Carranza success in her future endeavors.

Warrants Division

Warrants officers assisted the Horizon Municipal court by serving forty summonses. Warrants officers assisted the municipal court with advertising the amnesty month. Fliers were distributed to local business in the area as well as surrounding business in Horizon City. Sergeant Jose Mitre also assisted in making a video with information on the consequences of not paying traffic citations in a timely manner and to take advantage of amnesty month. This video was shown during movies at the park.

During the month of July, Warrants Officers arrested thirty people during court proceedings. There will be a warrants round up on August 11, 2012 and it will begin at 0400 and is scheduled until 1200 hours.

<u>Criminal Investigations Division (CID)</u>

Detectives received a case regarding a robbery wherein the victim was assaulted and robbed in her home by a male subject whom she considered her friend and was residing with her for a few days. An argument ensued and the male subject left with personal items from the victim and eight hundred dollars in cash. A neighbor witnessed part of the incident and attempted to assist the victim. Through further investigation the male subject was identified, located, and arrested for robbery.

Detectives received a case regarding an accident involving damage exceeding \$200 where a black Chevy Blazer struck another vehicle and fled the scene. The victim was given the license plate number of the fleeing vehicle by two independent witnesses. Detectives made contact with registered owner of the vehicle who admitted to fleeing the scene after striking the victims vehicle. The case was submitted non-arrest to the District Attorney's Office for review and final disposition.

Detectives received a case regarding striking fixture or highway landscaping and not reporting to authorities. The gate to a local business was damaged due to being struck by a vehicle and the driver fled the scene. Detectives located the registered owner who claimed the vehicle had been stolen during the time she was out with friends. The registered owner filed an Unauthorized Use of Motor Vehicle report with the El Paso County Sheriff's Office. The registered owner provided names of friends who were later contacted and denied being out with the registered owner. The local business owner opted to not prosecute and Horizon City Police Department case was closed/cleared. The investigation was then forwarded to the El Paso County Sheriff's Office who filed charges with the District Attorney's office against vehicle registered owner for False Report.

Other cases received during the month of July were Credit Card Abuse, Burglary of vehicle, Robbery, harassment, Unattended Death, Arson, and Criminal Mischief.
