- Officers Trevino, Calvillo, and Colon each placed in two categories.
- For the second consecutive month, Officer Calvillo ranked in both Traffic Contacts and Citations.
- Officer Chavez also led in Citations for the second straight month.

Thank you all for your continued dedication and effort. Your hard work does not go unnoticed!

From Sgt. Rosas – I would like to recognize Officer Venegas for his consistent dedication to the department and team. Recently, an officer from another shift experienced a family emergency, leaving that shift without coverage. Without hesitation, Officer Venegas stepped up and volunteered to cover the shift, ensuring our operations continued smoothly. He consistently carries himself with a positive attitude and is always willing to assist in any way he can. His commitment and dependability are greatly appreciated.

From Sgt. Avitia – I would like to acknowledge Officer Soto for completing his Field Training Officer (FTO) program. Reaching this milestone is a testament to his hard work and readiness to serve independently. In the same vein, Officer Chavez deserves recognition for his outstanding performance and leadership as an FTO. He is one of the most veteran, active FTOs in the agency, and his experience continues to play a vital role in mentoring our newer officers.

From Sgt. Sierra – For the month of July, I would like to acknowledge Officer Duarte. Over the past two consecutive months, he has demonstrated excellent performance while training new recruits. He successfully prepared Officer Retana for independent duty and helped guide Officer Calvillo, who also recently cleared FTO. Officer Duarte's strong work ethic is a major driver behind the success of his shift. He leads by example, influences his peers positively, and takes initiative without hesitation. His leadership is evident in both his attitude and his results. Recently, he initiated a traffic stop that led to an arrest for possession of a controlled substance and an open container violation. In fact, he recorded the highest number of arrests over the past two months, many of which occurred while training new officers, proof of his effectiveness in preparing the next generation.

From Sgt. Arredondo – Officer Trevino has consistently demonstrated his commitment to the team throughout the month of July. He executed two

misdemeanor criminal warrants through self-initiated activity, made one felony arrest stemming from a narcotics investigation resulting in the seizure of cocaine, and made a misdemeanor arrest related to a barricaded subject. Officer Trevino has shown bravery and reliability, following fellow officers into high-risk situations without hesitation. His growth and maturity have been outstanding, and I am confident in his continued success.

NOTABLE ACTIVITIES FOR CID, TRAFFIC, FORENSICS & WARRANTS SECTION

During the month of July 2025, our **Criminal Investigations Division** continued to rise to the challenge, successfully prosecuting several high-priority cases involving crimes against children and property. Our detectives worked tirelessly, and their efforts speak volumes.

In one case, a suspect was found to be using account information from a former employer to fraudulently purchase vehicle parts. Thanks to a detailed and diligent investigation, charges were swiftly brought forward, and the case was closed out with precision.

But perhaps the most difficult and emotionally charged case this month was led by Detective Campbell, who stepped up and took point on a heartbreaking case involving an infant. Through relentless determination and seamless collaboration with multiple agencies, our team was able to develop probable cause and secure two arrests.

This kind of work isn't easy, it demands strength, composure, and grit. And our detectives continue to show what it means to serve with courage, compassion, and an unwavering commitment to justice.

The Fourth of July is a critical holiday for the Communications Division due to the significant increase in call volume, particularly related to fire incidents and fireworks complaints.

To effectively manage the demand, three Communications Specialists were assigned to the El Paso County 911 District, located at 6055 Threadgill Avenue, to handle both emergency and non-emergency fire and police calls. Additionally, five Communications Specialists were stationed at the Horizon City Police Department to manage dispatch operations for county fire and police services.

From 19:00 to 01:00, the Communications Division, in coordination with county fire and police departments, implemented crisis radio procedures to ensure efficient response and communication. During this operational period, the division processed approximately 53 police calls and 50 county fire calls.

We would like to extend our sincere appreciation to all personnel who worked during this time. Your dedication and hard work are truly valued and do not go unnoticed.
