

GTG Rat Sports Liability Waiver

I understand that participation in activities with my dog(s), including rat sport lessons, sensory rooms, workshops, fun matches, and trials, involves inherent risks to myself, my dog(s), spectators, and property. These risks may include injury, property damage, or other unforeseen incidents.

I voluntarily choose to participate and assume full responsibility for myself, my dog(s), and any spectators I bring with me. I agree to release and hold harmless GTG Rat Sports, its owner, instructors, volunteers, assistants, and property owners from any claims, injuries, losses, or damages arising from participation.

I confirm that my dog(s) are healthy, up to date on vaccines for Parvo Virus and Distemper (or have titer test results to show my dog(s) are protected), fit to participate and are under my control at all times. I understand that dogs that are sick, aggressive, or excessively disruptive may be asked to leave for safety reasons, without refund.

I agree to follow all posted property rules, safety guidelines, and instructions given by GTG Rat Sports staff. Failure to do so may result in removal from the property.
