The Diez Group Kansas City / DKP Indiana

The following notices are required to be shared due to legal and regulatory requirements. In addition to the notices this packet, the Medical Summary of Benefits and Coverage is linked to the Medical Plan in the Paylocity BSwift Benefits portal, the New Health Insurance Marketplace Options notice is included with New Hire materials, and the initial COBRA notice is mailed directly to medical plan enrollees from our COBRA administrator.

IMPORTANT REMINDER TO MEDICARE ELIGIBLE SUBSCRIBERS

If you will become Medicare eligible this year, please see Human Resources at least six weeks prior to your 65th birthday, as there is important information for you to receive and provide. The annual Medicare Part D enrollment notice is included in this packet.

HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents, including your spouse, because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage or if the employer stops contributing toward your or your dependents' other coverage. However, you must request enrollment within 30 days after your or your dependents' other coverage ends or after the employer stops contributing toward the other coverage.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you are declining enrollment for yourself or your dependents, including your spouse, while coverage under Medicaid or a state Children's Health Insurance Program (CHIP) is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 30 days after your or your dependents' Medicaid or CHIP coverage ends. If you or your dependents, including your spouse, become eligible for a state premium assistance subsidy from Medicaid or a CHIP program with respect to coverage under this plan, you may be able to enroll yourself and your dependents, including your spouse, in this plan. However, you must request enrollment within 30 days after you or your dependents become eligible for the premium assistance.

IMPORTANT INFORMATION FROM THE DIEZ GROUP AND DKP INDIANA ABOUT YOUR PRESCRIPTION DRUG PLAN AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with **The Diez Group / DKP Indiana** and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. **The Diez Group / DKP Indiana** has determined that the prescription drug coverage offered by Anthem BCBS is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current **The Diez Group / DKP Indiana** coverage may be affected. Be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) To Join A Medicare Prescription Drug Plan?

You should also know that if you drop or lose your current coverage with **The Diez Group / DKP Indiana** and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

IMPORTANT INFORMATION FROM THE DIEZ GROUP AND DKP INDIANA ABOUT YOUR PRESCRIPTION DRUG PLAN AND MEDICARE (CONTINUED)

For More Information About Your Options Under Medicare Prescription Drug Coverage

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join for a January effective date.

For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed on the next page for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through The Diez Group/DKP Indiana changes. You also may request a copy of this notice at any time. More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778)

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether you have maintained creditable coverage and, therefore, whether you are required to pay a higher premium (a penalty).

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility –
