The EYES Have It!
Everyone agrees - there's nothing like this on the market!

"They say the eyes are the first thing people notice - and now mine are smoother, firmer, and glowing...and my dark circles are even less noticeable. I love this product!"

- Courtney H.

"Crow's feet were always my biggest problem and I am scared of the needle. Those visual reminders of my age have drastically improved after just two months of use, and I feel so much younger."

- Trish F.

"As a makeup artist, I was searching for my go-to eye serum to keep my clients hydration and glow in check, while also allowing for perfect makeup application. Enter Eye Renew Complex. It will always be in my toolkit!"

- Michelle C.

Hydration to the power of infinity.
That's Hydrinity.

HYDRINITY
ACCELERATED SKIN SCIENCE

EYE RENEW COMPLEX

Addresses the multiple signs of aging to reveal
brighter more beautiful eyes.

What's the secret?
Meet our **DYNAMIC DUO.**

+

The MOST HA available today

- Our serums contain the highest concentration of Hyaluronic Acid - **2X more than other brands.**

Dual-weight HA

- High-weight molecules draw moisture to the skin's surface, **reducing the appearance of fine lines and wrinkles and increasing elasticity.**
- PPM⁶ peptides and antioxidants are delivered by our lower-weight HA that penetrates deep into the dermal layer to **generate healthy, smooth, luminous skin.**

Cell REGENERATION from the bottom up.

- Deep dermal penetration means constant collagen and elastin production to **renew and rejuvenate skin and boost radiance.**

Powered by the world's
ONE & ONLY Supercharged
Hyaluronic Acid Complex - to
totally transform your EYES!

This **POWERFUL YET GENTLE** Formula:

- ✓ Dramatically diminishes the appearance of **crow's feet.**
- ✓ Visibly reduces **puffiness** and **under-eye bags.**
- ✓ Helps quickly fade **dark circles.**

We Have an **EYE** for **EFFECTIVE INGREDIENTS.**

In addition to our Supercharged HA, we've infused six peptides and multiple botanicals into ONE product - proven to specifically improve the eye area.

Cranberry Biopeptide

Reduces the appearance of fine lines and wrinkles to reveal a smoother, brighter, more youthful look.

Super Microalgae

Visibly improves overall luminosity and brightness with amino acids, minerals, and vitamin B12.

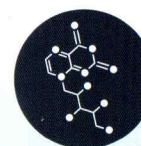

Palmitoyl Tripeptide 1 and 5

Helps slow the skin aging process, smooth wrinkles and tighten skin by boosting collagen production.

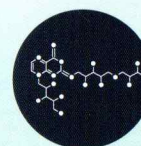

Chrysin

Fades dark circles by reducing excess melanin accumulation in the skin.

Acetyl Tetrapeptide-5

Improves eye contour by targeting tissue deterioration, excess fluid, and fat buildup under the eyes.

Palmitoyl Tetrapeptide 7

Helps eliminate blood-originated pigments responsible for dark circles.
