You are invited to attend our Annual All-German Advent Service. St. Paul's E&R United Church of Christ, the oldest German congregation in Dallas, presents Deutscher Weihnachtsgottesdienst, an Advent Service based on the Lessons & Carols tradition, completely in German. Singers from across the Metroplex will participate in this interdenominational service. Featuring the combined Saint Paul and Frohsinn Choirs/ Schweizer Alphorngruppe (Swiss Longhorns) all under the direction of organist/choirdirector Will Kanute.
