

Consultation Guide and General Wedding Cake Pricing

Thank you for considering Three Little Birds Bakery as a part of your wedding day. Consultations are provided on Wednesday and Thursday by appointment only.

For general questions about pricing or availability, please call rather than schedule a consultation.

Out of consideration for you and my commitment to other clients, consultations will be limited to 45 – 60 minutes.

It is best to schedule your appointment once you have decided upon a date, venue and much of your reception details. This will ensure your cake compliments your special day. 6-9 months before your wedding day is a good rule of thumb.

Purpose & Expectations

Consultations are \$25 to cover the cost of samples, preparations and quotes. If you book with me, this fee will go towards your final order.

You are welcome to bring parents, bridal party members and friends. Keep in mind that each person will bring with them additional influences and opinions.

Please bring any pictures, fabric, Pinterest boards or anything else that may assist me in creating a special cake for you.

Price Quote

In most cases, you will leave with a basic idea of your cake design and a very rough estimate on the price. You will receive an emailed quote usually within one week of the consultation date. This quote/estimate is valid for 30 days and is subject to adjustment.

Dates are booked on a first come, first paid basis. Your date is unconfirmed, and available to others, until I have received a deposit.

Deposit and Policies

Full details of my policies are provided separately. If you choose Three Little Birds to be a part of your wedding day, I ask for a \$75.00 non-refundable deposit to guarantee the date and place your order. Your order is not complete without all parts of the contract and deposit. Your deposit will be applied toward the final price of your cake. The balance and final numbers are due one month before the wedding.

Delivery and set-up is limited to Kansas City and surrounding areas. Fee will vary depending on location.

Cake Flavors

Vanilla, Lemon, Chocolate, Banana, Red Velvet, Strawberry, Carrot, Caramel, Marble

Frostings

Traditional American style buttercream, Cream Cheese, Whipped

Fillings
