# CASH DISCOUNT BOOKLET

DISCOUNT BOOKLET FOR THE PERIOD 2023 - 2025

{Discount Available on Presentation of TTUTA's Membership Card}

The discount must be requested BEFORE payment for items or services.

Management of the participating companies reserves the right to request identification.

Discounts have been secured with agreement of the participating vendors listed in this Booklet.

Changes in ownership and/or management may occasionally lead to problems with the

discounts.

TTUTA has no control over such problems and does not hold itself liable for the refusal of any of the participating vendors in not honouring the discounts. Where such problems arise, please

contact our offices and every effort will be made to clarify the issue.

The participating vendors may, as a result of special sale conditions, alter the discount listed,

TTUTA has no control over such Management decision.

TTUTA cannot guarantee that the vendors listed will remain in the Programme. At the same

time, new vendors will join. Through the TUTOR changes will be communicated to members.

I urge you to make full use of these discounts negotiated on your behalf. Once members

support the participating vendors, we can expect favourable discounts and other benefits to

the Association.

To the vendors listed in this booklet, let me take this opportunity on behalf of TTUTA to thank

you for participating in this partnership.

Once there are changes to your offer, I ask that you communicate with the 3rd Vice President

indicating these. This will allow us the opportunity to communicate such changes with the

membership.

If you encounter any difficulties, please contact the 3rd Vice President, Mrs. Natasha Baran-

Ramtahal at thirdvp@ttuta.org at the TTUTA's Administrative Building in Carlsen Field.

I am convinced that should members use this facility often they will in fact save more than their

annual dues paid to the Association.
