

*"In the symphony of community, sharing moments together is the sweetest melody."*

Our recent 'Party in the Park' event for **Neighborhoods' Day 2024** was yet another smashing hit! Live musical performances and great all around vibes were thanks to the BeachHouse group. Delectable food and refreshing drinks were shared amongst neighbors. And we were honored by a visit from city council member Lina Teixeira, who drew the winning raffle ticket. The lucky winners won 2 tickets to the Etheridge & Jewel concert on Sep 26 at The Sound!

The event also brought smiles to our young ones' faces as they immersed themselves in delightful games, fostering new friendships and creating cherished memories with one another. The free and delicious shaved ice from the Kona Ice truck added to their joy, making it a sweet treat-filled day that they'll fondly remember. May our vibrant neighborhood continue to sparkle with laughter, friendships, and endless moments of joy and adventure!

Following our big community get-together event, a small but mighty and dedicated group came together for our **Neighborhood Clean-Up** in celebration of Earth Day! Big thanks to the volunteers for their hard work and commitment to make a noticeable impact and beautifying our neighborhood. Let's continue this momentum and welcome more volunteers to join in our future clean-up efforts, making Plaza Park an even more beautiful place to call home!

*Biggest thanks to all for the continued support!*
