

Pagan Pride Raffle

Pagan Pride Day will feature a raffle to promote area businesses. It is important for us to support businesses and organizations that support us and we want to bring our community into your businesses. Donations in the form of gift certificates and items from your business will help get people in your door. All proceeds from our raffle will go to Sabbat Celebrations to help us fund future events and community outreach projects.

Please list items donated and their value so we can post the content and approximate value of baskets.
