

Greetings,

Sabbat Celebrations is a non-profit organization which began three years ago with the goal of building a community of tolerance and acceptance centered on Pagan and polytheistic religions. We aim to create an environment of learning and understanding through education, community outreach, and public events. Sabbat Celebrations was gifted Pagan Pride Day and intends it to be a culmination of these projects providing a space for Pagans and people of all faiths to celebrate together.

We provide educational opportunities and community-building activities throughout the year with our events and classes. We encourage the media and people from all walks of life to attend any of our events, classes, workshops, and projects in order to learn what we are about. Our events are designed to promote active acceptance and inclusion for people of all belief systems and ages. We are family focused, providing events and classes that are kid friendly, encouraging parents to include the whole family.

Since we are a non-profit organization, we rely on supporters to offset the costs of these events. Sabbat Celebrations is grateful for any sponsorship that you or your business may provide to assist us in furthering our goals.
