

AUGUST 2023

Mission & Vision

Mission Statement:

Raise the Roof exists to create partnerships with Christian pastors and leaders to raise finances in order to complete roofs on already established building projects using locally sourced material and labour.

Our vision is to seek ongoing partnerships with Christian pastors and leaders as the Lord directs to bring encouragement, spiritual food and hope by joining together in already begun building projects that need financial assistance.

We seek to do this for God's glory and the furthering of His Kingdom.

Assisting others in this way opens up the opportunity for the Gospel to reach more lives within these growing churches as well as build up the body of believers committed to these projects.

Christ commands us to go and to help those in need. Our hope and desire to fulfill this command with passion.
