

Client Communication Permissions

Hello clients of PBVH! We have recently updated our phone system. In doing so, we will now be able to offer the option of texting for appointment confirmations and other non-emergent matters.

Please take a moment to complete this form so that we can update our records accordingly.

Please also note that communication with our doctors will still be done in person or over the phone, not through text, when it is medically necessary.

Client Name: _____ Pet(s) Name(s): _____

Address: _____

Client Preferred Phone Number: _____
