Hi, I'm Natalie,
I'm a Halifax, Nova Scotia based content creator with a love for all things fashion, beauty and overall visual aesthetics. I'm passionate about curating and photographing unique, stylish and minimalistic street style looks, as well as capturing beautiful products and photographs that reflect a touch of luxury, sustainability, art and light.

LET'S WORK TOGETHER!

With over 10 years of experience working in the fashion industry, I bring a level of expertise and knowledge to my expressions of products and merchandise.

My goal is to continue to inspire & educate my followers through style and beauty. I have a passion for working with brands that share similar ethics towards sustainability and would be thrilled to collaborate!
