The aforesaid electors shall elect a County Committee.

Section 2 -- Purpose of Organization. The County Committee is organized for the purpose of supporting and electing to public office candidates nominated by the Conservative Party pursuant to law, of engaging in political action for the promotion of the principles and policies of the Conservative Party, and of coordinating the activities of all other Conservative Party organizations within this county.

Article II - County Committee

Section 1 -- Authority and Power. The County Committee shall have general authority over the Conservative Party organization of the county and every subdivision thereof, except where limited by these rules and regulations, the rules and regulations of the Conservative Party of New York State, or by law. All committees of the Conservative Party within SENECA County shall be under the jurisdiction of the County Committee and subject to such provisions and regulations as it may prescribe.

Section 2 -- Membership. The County Committee shall be constituted by the election, biennially, of two members from each election district within the county (who shall be residents of the Assembly District from which they are elected) except as herein after provided in this section. If 150 or more but not more than 299 Conservative Party votes were cast for Governor in any election district in the last preceding gubernatorial election, then three (3) county committee members shall be elected from that election district.
