Board of Elections

ARTICLE I

Party Organization

Section 1 - BASIC ORGANIZATION. The basis of the organization of the Conservative Party of Chautauqua County shall consist of the Conservative electors of each election district who have duly enrolled, as required by law in their respective election districts, for the purpose of participating in the primary elections of the Conservative Party. The aforesaid electors shall elect a County Committee.

Section 2 - PURPOSE OF THE ORGANIZATION. The County Committee is organized for the purpose of supporting and electing to public office candidates nominated by the Conservative Party, pursuant to law, of engaging in political action for the promotion of the principles and policies of the Conservative Party, and of coordinating the activities of all other Conservative Party organizations within Chautauqua County.

ARTICLE II

County Committee

Section 1 - AUTHORITY AND POWER. The County shall have general authority over the Conservative Party organization of the county and every subdivision thereof, except where limited by these rules and regulations, by the rules and regulations of the Conservative Party, or by law. All committees of the Conservative Party within Chautauqua County shall be under the jurisdiction of the County Committee and subject to such provisions and regulations as it may prescribe.

Section 2 - MEMBERSHIP. Each County Committee shall be constituted by the election, biannually, of two members from each election district within the county (who shall be residents of the assembly district containing the election district from which they are elected), except as hereinafter provided in this section. If 150 or more, but not more than 299, Conservative Party votes were cast for governor in any election district in the last preceding gubernatorial election, then three County Committee members shall be elected from that election district. If some 300 or more Conservative Party votes were cast for governor in any election district in the last preceding gubernatorial election, then four County Committee members shall be elected from that election district. If the boundaries of any election district have changed or a new election district has been created since the last preceding gubernatorial election, then three County Committee members shall be elected from any such election district, if there has been an assembly election in that election district since the last preceding gubernatorial election and 150 or more, but not more than 299, Conservative Party votes were cast for member of assembly therein, or if no such assembly election has been held and the Conservative Party enrollment in that election district is 150 or more, but not more than 299. If the boundaries of any election district have been changed or a new election district has been created since the last preceding gubernatorial election, then four County Committee members shall be elected from any such election district if there has been an assembly election in that election district since the last preceding gubernatorial election and more than 300 Conservative Party votes were cast for member of assembly therein, or if no such assembly election has been held and the Conservative Party enrollment in that election district is more than 300. Any duly constituted County Committee may adopt rules inconsistent with the provisions of this section, which rules shall thereupon supersede the provisions of this section with regard to such duly constituted County Committee.

In addition to the members elected as aforesaid, the Chairman, Vice-Chairman, Secretary, and Treasurer of the County Committee shall be voting members of that committee, by virtue of their office, in the event that one or more of the aforesaid officers would not otherwise be a member of the County Committee.
