These garments were lovingly designed by our British designer Nila Rubia and ethically hand-crafted by talented artisans using the ancient art of hand-block printing in Rajasthan, India.

The natural variation in print and color enhance the beauty and individuality of each piece.

We are an ethically run business offering Fair Trade sustainable fashion, unique apparel, artisanal home decor and hand-crafted jewelry.

We at Paisley and Pomegranate are proud to be the first to present Nila Rubia in the United States and we strive to spread a sense of joy in the community and to customers worldwide with our unique and vibrant designs.
