

Elizabeth A McMorrان NP

690 East Warner Road, Suite 127

Gilbert, Arizona 85296

Phone: 480-632-5800

Specializing in Child and Adolescent Psychiatry

Welcome to the Office of Elizabeth A McMorrان, NP

We understand that you have many choices for your child's psychiatric care and we appreciate your confidence in our services.

PLEASE READ THROUGH THE OFFICE POLICIES BELOW AND SIGN AND DATE THE FORM

- We expect you to be punctual for your appointments. If you are more than 5-10 minutes late, your appointment may need to be rescheduled. We understand that emergencies arise; if this is the case, please phone the office as soon as you are able to let us know.
- Please understand that late arrivals cause the next appointment to be delayed and we strive to be respectful of everyone's valuable time. We do not double book appointments at the office and NP McMorrان tries to hard to stay on schedule but crises sometimes occur. We will always apologize for keeping you waiting but try to remember that some day that could be your child in crisis and requiring extra time.
- If your child is receiving medication from this office, the parent or legal guardian must attend the appointment. Since your child is a minor, parental consent is required for medications and any medication changes. An Alternative Caregiver Consent Form is available on the office website (childpsychnp.com) if the parent or guardian cannot attend the appointment. The alternative caregiver **MUST** be 18 years of age or older and present a Driver's License or other authorized identification when they bring the child to the appointment.
- If you miss your child's appointment and need a refill for the medication, please let the office know and allow at least 24-48 hours for NP McMorrان to provide the refill. If your child has missed multiple appointments, it is up to the discretion of NP McMorrان whether a refill will be provided.
- Please supervise your child(ren) in the waiting area. Children younger than 10 years old, cannot be left alone in the waiting area.
