Camp Description

Blooming Minds Learning Inclusive Summer Camp is designed to nurture essential skills such as communication, emotional regulation, and relationship-building through engaging, interactive activities and guided play.

Our program fosters growth and development by incorporating high-interest activities like crafts, games, sensory exploration, and more.

Age Groups

At Blooming Minds, our groups are mixed age. We group students based on their age, ability level, and support needs. We provide age-appropriate activities to all students.

We will prioritize finding the right groupings based on availability, age, ability, personality, and skills. Due to the small size of some of the group there may not be students who are the same age.

We use our mixed age and ability groups to our advantage to provide students with opportunities for growth as leaders, role models, and flexible group members.

We will share the group make up prior to the start of camp.

Family Consultations

We believe frequent, casual, and supportive communication between our team and families is essential to student growth. This looks like conversations at pickup, daily reports home, texts and emails, and providing resources.

Policies

- 5% discount for multiple weeks.
- 5% discount for payments made before May 30th.
- No Make Ups from missed days due to illness, early pickups, appointments.
- No Refunds. Account credit may be offered for cancelled services at owner's discretion.
- Additional fees may incur for a payment plan including the use of a vendor service.
