SUMMER 2025

A SWEET TIME FOR ALL AT THE 2025 SUMMER CELEBRATION

Join us for a sweet time at the 29th annual Streamwood Summer Celebration, **July 25-27**, at Hoosier Grove Park (700 W. Irving Park Rd.)! Dive into fun with games and carnival rides each day. Explore the Business Expo, meet our sponsors, and snag fantastic freebies. Adults can play Bingo or buy a chance in our raffle for amazing prizes (including \$1,000 cash), while kids enjoy free crafts and activities.

Enjoy free live entertainment all weekend on the Children's and Main stages or let your kids shine in contests that run between sets. On Saturday morning, watch our annual parade of musicians, dance troupes, and more march down Streamwood Blvd. from Bartlett Rd. to the festival grounds. Indulge your taste buds with cold beverages, sweet treats, and festival classics.

Parking is limited at Hoosier Grove Park, so hop on a free shuttle bus with convenient pick-up and drop-off locations around town. Or bike for a green and convenient option! A sweet celebration awaits! For more information, please see pages 8 and 9 or visit streamwoodsummercelebration.org.

July 4th Fireworks, Village Closure, and Service Impacts

Join us on Friday, **July 4**, at 9:30 p.m., to celebrate Independence Day with our fireworks display at Dolphin Park (880 S. Park Blvd.)! For everyone's safety, please leave the fireworks to the pros and be a good neighbor. A rain date, if needed, is on Saturday, July 5, at 9:30 p.m.

Village Hall and administrative offices will be closed on Friday, July 4 for the holiday. For emergencies or police-related concerns, please dial 9-1-1. Friday trash pick-up will be delayed until Saturday morning.

VILLAGE BOARD NEWS

Village Officials Sworn In; Clerk Retires

*Retired Village Clerk
Kittie Kopitke*

Early May saw the swearing-in of Village President Billie Roth, Trustees Michael Baumer, Jovandi Bermudez, Rezwanul Haque, and new Village Clerk Aris Garcia. The Village bid a fond farewell to Kittie Kopitke, retiring as Clerk after 30 years. Her legacy goes beyond Streamwood, having mentored clerks globally and earning numerous accolades, such as Illinois Clerk of the Year in 2012. Thanks to the Village Board and Clerk for their service to the community.

Village Thanks its Volunteers at Reception

The Village had a sweet time hosting a recent reception to thank the volunteers who selflessly donated their time, talent, and expertise this past year to our Boards, Commissions, and Committees. We are fortunate to have you!

Thank you to the members of our Blood, Board of Fire and Police, Civil Service, Community and Economic Development, Community Relations, and Veterans Memorial Commissions, as well as our Fire and Police Pension Boards, Planning and Zoning Board, and Summer Celebration Committee. Visit our website to learn more or call 630-736-3800 and consider volunteering!

Military Heroes Honored for Memorial Day

Keynote Speaker William Schmidt

Jim Sychowski Receives Volunteer Award

Thank you to those who joined us at the Veterans Memorial for our annual Memorial Day Ceremony. We honored the members of the armed forces and remembered those who sacrificed their lives with moving tributes and musical performances. Retired Streamwood Fire Battalion Chief William Schmidt gave the keynote address and long-time volunteer Jim Sychowski was recognized at the event. Special thanks to the Veterans Memorial Commission for hosting the event, the volunteers who participated, and the generous donors who gave \$500 in support of our Memorial.

VILLAGE PRESIDENT'S MESSAGE

I want to express my deepest gratitude to the Village of Streamwood for your continued support and faith in me and our dedicated Board of Trustees. It is an honor to serve you once more as your elected Village President. Your trust inspires me to tirelessly work towards making Streamwood a community we are all incredibly proud to call home.

At our May 1st Board meeting, we officially swore in myself, Trustees Michael Baumer, Jovandi Bermudez, and Rezwanul Haque. We also warmly welcomed our new Village Clerk, Aris Garcia. This leadership brings fresh energy, and we eagerly anticipate their contributions to our Village's future.

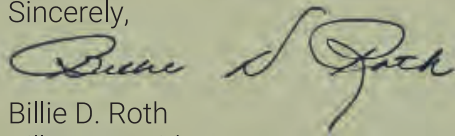

Our commitment to supporting the youth in our community was evident at our May 15th Board meeting. First graders Isabella Segura, Sarah Lieu, Lenora Madrugal, and Anaiya Valentin were recognized for their beautiful entries in the K9 Hope Coloring Contest. Seven talented Streamwood High School seniors received the Village Board Art Purchase Awards: Sophia Baumert, Sarah Drozdziak, Mia Greco, Emily Nowel, Jiya Parikh, Antonio Ramirez, and Amelia Webb. Their impressive artwork will soon be displayed at Village Hall and throughout our municipal buildings. That same evening, we recognized another outstanding group of Streamwood High School students who excelled in state competitions for DECA and HOSA (dedicated to furthering student education in health occupations, marketing, management, and entrepreneurship). Finally, the Village and its Community and Economic Development Commission proudly announced Maria Robles Cruz as the recipient of our \$2,500 Community Scholarship award. Maria, a Streamwood High School graduate, is currently pursuing a Finance Business Administration degree from Aurora University. Congratulations to all our students—your hard work and dedication truly inspires us!

On behalf of the Village Board, I sincerely thank the Veterans Memorial Commission members for their tireless efforts in making our Memorial Day Observance a profoundly moving experience. It is crucial to continue celebrating, honoring, and remembering the immense service and sacrifice of those who gave their lives to protect our freedom.

The Blood Commission held another successful drive in April, collecting 39 units of blood. Personal emergencies and ongoing medical needs demand a constant blood supply as someone in the U.S. needs blood every two seconds. Results from the June drive will be shared soon, and we look forward to seeing you at our next drive on **August 27th!**

Don't miss this summer's fun! Enjoy the beautiful weather at our parks, pathways, and upcoming events. Mark your calendars for our annual July 4th Fireworks Display at 9:30 p.m. at Dolphin Park. Then, join us for "Candyland – A Sweet Time" at our annual Summer Celebration from Friday, **July 25th** at 5 p.m. through Sunday, **July 27th** at 8 p.m. A variety of food, games, entertainment, and raffle prizes will sweeten the weekend. Opportunities are still available to volunteer at the festival. Please contact my office at 630-736-3801 or email mayor@streamwood.org. Come and celebrate with us!

Sincerely,

Billie D. Roth
Village President

Small Acts, Big Impacts: Invasive Plant Removal and Recycling Events

When our community comes together for a common cause, small actions can make a big impact in Streamwood and beyond. At the Community Relations Commission's April S.E.E.D. event (Streamwood Environmental Education Day), hundreds of residents came out to drop off 30,808 pounds of e-waste, 45 totes of paper that were shredded, and 150 pounds of medication that were disposed of safely. Attendees also learned about gardening and native plants, waste reduction, water and energy conservation, the benefits of bicycling, and more.

The Commission needs your help to preserve our natural areas. Join them on Saturday, **September 20**, from 8 to 11 a.m. to tackle invasive plant species at Phoenix Lake. Everything needed for an efficient cleanup will be provided. Come prepared to get dirty with closed-toe shoes, long pants, and sleeves. Visit our website to learn more. Questions? Call Scott Nielsen, Assistant Public Works Director, at 630-736-3855 or email snielsen@streamwood.org.

VILLAGE CODE CORNER

Noise Control Regulations

The Village's noise control regulations help ensure a peaceful environment for all by establishing specific times when louder activities are not allowed. In residential areas, we focus on minimizing disruptions from sources like loud music, late-night parties, and other noises. In business areas, we focus on noise from amplified sounds. In general, no construction, loud music, garbage collection, loading, or unloading is permitted from 10 p.m. to 7 a.m. on weekdays, and 10 p.m. to 10 a.m. on the weekends. Exceptions are permitted for emergencies and other events. If you are concerned about loud noises in your area, please contact the Streamwood Police Department by calling 9-1-1.

Avoiding Nuisance Wildlife

Keeping our community free from nuisance wildlife is our priority, and ground-feeding feral animals is prohibited. Make your property less inviting to critters like rodents, coyotes, and skunks with these simple tips:

- *Secure Garbage:* Ensure trash cans and dumpster lids are tightly closed, especially during the night.
- *Bird Feeders:* Consider using feeders that are squirrel-proof or have covers to avoid attracting more than birds.
- *Pet Food:* Avoid leaving pet food outdoors overnight to discourage unwanted guests.
- *Brush and Wood Piles:* Clear away brush and wood piles that provide shelter for pests.
- *Seal Openings:* Close off any gaps around your home's foundation.
- *Window Wells:* Use covers or wire mesh to prevent animals from getting stuck at the bottom.
- *Fencing:* Add fencing or wire mesh to keep wild animals away, particularly from gardens or small areas.
- *Motion-Activated Devices:* While they're not always effective, they might help keep animals away.

Annual Water Quality Report Available

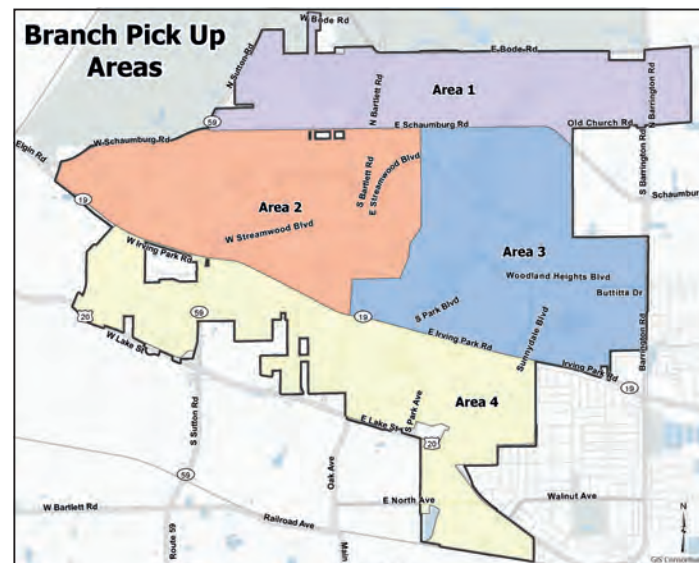

Our Annual Drinking Water Quality Report is now available. We are pleased to once again report that Streamwood's tap water met or exceeded all United States Environmental Protection Agency (USEPA) and State of Illinois drinking water health standards. Visit streamwood.org/WaterQuality Report or scan the QR Code to view the report. Please call Public Works at 630-736-3850 or email publicworks@streamwood.org if you would like to receive a copy by mail.

Branch Pick-up Continues Through October

Take advantage of our free curbside branch collection. The Village is divided into four service areas, as shown on the map. Each has a designated collection day. For a successful pickup, please place your branches at the curb by 6 a.m. on collection day with cut ends facing the street. Branches should not be longer than ten feet or have a diameter larger than six inches. Did you miss your pickup? Crews do their best to collect branches as soon as possible but cannot guarantee a return visit if they're unavailable. Questions? Call Public Works at 630-736-3850 or email publicworks@streamwood.org.

Students Recognized for Art, Leadership, and Academics

The Village Board recently recognized local students and future leaders in our community. In late April, **Student Government Day** participants worked alongside the Village Board and staff to learn about the role of local government in their daily lives.

Four first graders took top honors in our recent **K9 Coloring Contest**. Isabella Segura, Sarah Lieu, Lenora Madrugal, and Anaiya Valentin highlighted our beloved Police Comfort Dog, Hope, beautifully.

Seven talented Streamwood High School students received the Village **Art Purchase Award**. The pottery, drawing, and photography work of Sophia Baumert, Sarah Drozdziak, Mia Greco, Emily Nowel, Jiya Parikh, Antonio Ramirez, and Amelia Webb, will soon be displayed in Village buildings for all to enjoy.

Kudos to Streamwood High School students who recently competed in **Distributive Education Clubs of America (DECA)** and **Health Occupations Students of America (HOSA)** at the state and national levels! The Board honored Kaleigh Allender, Fatima Cortez Alvarado, Viraaireddy Bezawada, Jocelyn Centeno, Alyssa Figueroa, Alexander Garcia, Janel Gonzalez, Marshana Grace, Ty Keomanivong, Gurlin Kaur, Guinevere Larson, Aidee Marin, Kelly Nguyen, Cristian Sandoval, Alexis Serrano, Zaina Siddiqui, Mary Anne Soria, Daniel Trifonov and Maria Tripkovic, and Regan Woznicki.

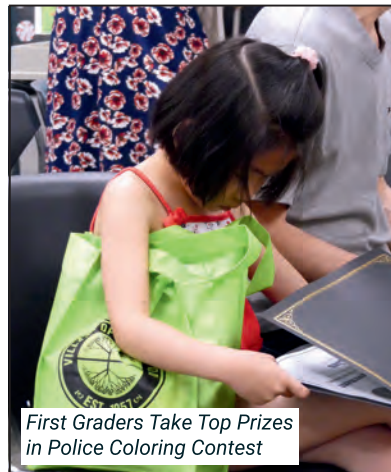

Bravo to Maria Robles Cruz for being awarded the Village's \$2,500 **Community Scholarship** to further her studies at Aurora University. This award was made possible by our supportive business community and diligent Community and Economic Development Commission. Congratulations to all our honorees!

New ATV and Off-Highway Motorcycle Regulations

The Village has new regulations regarding the operation of all-terrain vehicles (ATVs) and off-highway motorcycles, such as motorbikes, pocket bikes, mini-bikes, and dirt bikes. This measure stems from residents' concerns over driver and pedestrian safety, as well as noise. Compliance with this Ordinance ensures that Streamwood remains a safe, enjoyable community for all. Key regulations include:

- No riding on public roads, paths, or sidewalks unless it's part of a Village-authorized parade, used by government officials for official tasks, or approved in writing by a licensed doctor for medical necessity.
- Riding on private property is only allowed with the property owner's verbal consent or written permission.
- These vehicles must be driven carefully and at safe speeds without endangering others or damaging property.
- Parents/guardians are responsible for ensuring that minor children follow these rules.

While the Police Department's priority is education and voluntary compliance, violations may result in citations with fines of up to \$750. For inquiries, contact the Police Department at 630-736-3700 or email police@streamwood.org. Thanks for your cooperation in keeping our village peaceful and neighborly!

Police Chief Shawn Taylor
and Fire Chief Mike Meyer

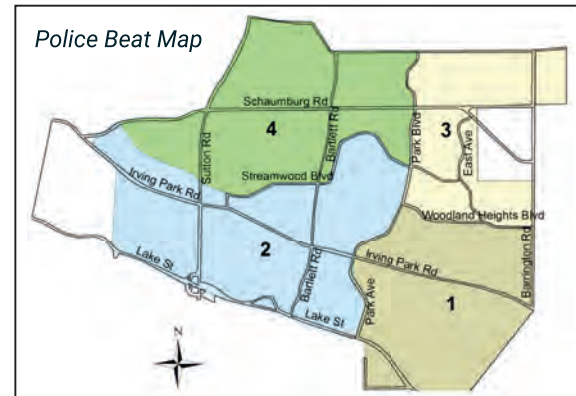

The Streamwood Police and Fire Departments provide an array of services to the Village including emergency response and public education. Fire Administration is located in Station #31 (1204 S. Park Ave.). There are two additional full-service fire stations located to ensure the best possible service to our community: Station #32 (900 W. Irving Park Rd.) and Station #33 (1095 E. Schaumburg Rd.). The police station is located at 401 E. Irving Park Rd. Please contact us if you need assistance and remember to **call or text 911 for all emergencies.**

Police Beat Meetings Continue Through October

The Streamwood Police Department is committed to building strong relationships with our community through regular Beat Meetings. These interactive sessions provide a platform for residents to learn about police services, ask questions, share concerns, and get updates on local crime trends and safety tips. Streamwood is divided into four beat areas (see map), each serving a specific geographic area. Find your Beat Sergeant and learn more at streamwood.org. Beat Meetings will be held at 7 p.m. at the Police Station (401 E. Irving Park Rd.) on the following dates:

Beats 2 & 4: August 14, October 7

Beats 1 & 3: August 21, October 14

See the inner workings of our Police Department at the Citizens Police Academy. This free 10-week program offers interactive classes on traffic stops, crime scene/forensics, crisis intervention, social services, K9 units, de-escalation strategies, and more! Adults age 18 and up living or working in Streamwood who pass a background check are eligible to participate. Please apply online by **August 15** at <https://bit.ly/3Zl4aqU> or scan the QR Code. Classes begin **September 8**, 6:30-8:30 p.m., at the Police Station (401 E. Irving Park Rd.). Questions? Visit our website or contact Sergeant Pat Silver at 630-736-3762 or psilver@streamwood.org.

Your Support Makes a Difference!

In an exciting, down-to-the-wire game, our police officers narrowly beat our firefighters in the April Guns vs Hoses basketball game. The real winners, though, were the local families that benefited from the \$9,000 raised at this annual event. Police and Fire teamed up again in May at the annual Cop on a Rooftop at Dunkin. Thanks in part to a lift from the firefighters in the ladder truck, fundraising soared to new heights. Your support raised over \$3,900 for Illinois Special Olympics athletes!

File of Life Kits Provide Quick Access to Lifesaving Information

Seconds count during medical emergencies and quick access to patient information can help emergency responders identify medical conditions, allergies, medications, emergency contacts, and more. The Fire Department's File of Life program puts this information at the fingertips of firefighters/paramedics when they respond to your home. Each kit includes a magnetic pouch with a 'file' card insert. These cards are meant to be kept on the refrigerator or somewhere easily seen by first responders. Get peace of mind and your free File of Life kit at Fire Station #31 (1204 S. Park Ave.) Monday through Friday, 8 a.m. to 4:30 p.m. Questions? Call 630-736-3650 or email fire@streamwood.org.

5th Graders Shine in D.A.R.E. Program Graduations

D.A.R.E. Graduations at Hanover Countryside, Heritage, Hilltop and Parkwood Elementary Schools

The D.A.R.E. program celebrated another successful school year with graduations at Hanover Countryside, Heritage, Hilltop, and Parkwood Elementary schools. This impressive class of fifth-graders shared what they gained from the program, including the confidence to demonstrate dance moves and read letters to their future selves in front of the audience. They also displayed their public service announcements with important lessons about vaping, drinking, smoking, impaired driving, texting and driving, online safety, cyberbullying, and acts of kindness. In the end, we're not sure who had more fun - D.A.R.E. Officers Campos and Polaski or the students!

Thank you U-46 School District for partnering with us for over 30 years to help foster good relationships between students and the Police Department while helping them grow. Thanks also to Principals Arroyo, Fletcher, Vazquez, and VonSchnase for welcoming us into the schools!

Junior Academy Campers Dive into Police Roles

The Junior Police Academy celebrated an exciting week in June with 36 campers - our biggest class yet! They gained insight into the life of law enforcement officers, engaging directly with police department operations. Campers were thrilled by K9 unit demonstrations, they conducted mock traffic stops and staged arrests, which allowed them to experience the challenge and fun of "arresting" our officers. In a C.S.I.-style workshop, they practiced their evidence-collection skills, toured the police station and squad cars, and met our social workers and records specialists who play crucial roles in the Department and community. A highlight was the "drunk goggles," which safely simulated the effects of alcohol and the importance of sober driving. The campers learned about teamwork and tactical operations from our SWAT team, while bike safety lessons equipped them with essential knowledge and skills for confident riding. The camp concluded with a graduation ceremony and stronger connections with our Police Department.
