**REPORT OF THE CANTEEN DAY EVENT
ORGANIZED BY THE STUDENTS FROM THE
FACULTY OF MEDICINE LINCOLN
UNIVERSITY COLLEGE MALAYSIA.**

Organized By: Lincoln University
College, Malaysia

2022

EVENT REPORT

The faculty of Medicine students, Lincoln University College were not left out in the cause to eradicate poverty through entrepreneurship. On the **5th of July 2022**, Canteen Day event was organized by the students.

Among the foods that were cooked and sold on this day were Murtabak Maggi, Meatballs, Ayam Gunting, Corndog, Oden, Spaghetti, Keropok, Potato Twist, Chicken Popcorn, and varieties of drinks.

The event was attended by the deputy vice-chancellor Academics, Prof. Datin Dr. Hafizah Che Hassan, Dean of Faculty of Medicine, Professor Dr. Zarina Binti Awang, a host of both academic and non-academic members of the university, and fellow students from other departments.

The event is one of the assessment components of the entrepreneurship subject that every LUC student must take before graduating. The aim is to instill the mindset of business and opportunity creator into the minds of all the student which will eventually make them become self-reliance after graduation.
